GRANT OF EASEMENTS

In consideration of the sum of One Dollar and other considerations (\$1.00) and of the further agreements herein stated, the undersigned owner of the real estate hereinafter described, and its administrators, successors and assigns, hereinafter called Grantor, hereby grants and conveys to Sanitary and Improvement District #100 of Sarpy County, State of Nebraska, hereinafter called the Grantee, the following easements on and across the North Half of the Northeast Quarter (N2NE2) of Section Twenty (20), Township Thirteen (13) North, Range Thirteen (13) East of the Sixth Principal Meridian in the County of Sarpy and State of Nebraska, said easements more particularly described on Exhibits "A" and "B" which are attached hereto and incorporated herein by reference:

- (1) The right of way to enter, construct, maintain, repair, survey, inspect, relocate or replace a sewer effluent and drainage line at a sufficient depth to not interfere with the Grantor's use and enjoyment of the property as a golf course. Grantee shall pay Grantor or its assigns, as the respective interests may appear, for any damages incurred in the installation, construction, reconstruction, location, relocation, or replacement of such line. Grantor may use and enjoy the property within the easements, provided such use and enjoyment does not interfere with the purpose for which the easement is obtained.
- (2) The right of way to enter, construct, maintain, repair, survey, inspect, relocate or replace a drainage line or storm sewer at a sufficient depth to not interfere with the Grantor's use and enjoyment of the property as a golf course. Grantee shall pay Grantor or its assigns, as the respective interests may appear, for any damages incurred in the installation, construction, location of such line or collecting basin.

It is understood that the damages referred to in the foregoing grants refer to actual damage such as cost of reseeding, resolding, etc., as opposed to possible general damages such as inconvenience, loss of profits, etc.

It is further understood that this Grant is conditioned upon the Grantee obtaining a Subordination Agreement from the FHA of the United States Department of Agriculture with respect to the mortgages held by the latter on the land involved, and if such Subordination Agreement is not obtained, then this grant to be null and void, and of no force or effect.
