No such dedication or transfer shall be effective unless an instrument signed by Owners entitled to cast two-thirds (2/3) of the votes has been recorded, agreeing to such dedication or transfer, and unless written notice of the proposed action is sent to every Owner not less than 30 days or more than 60 days in advance.

No Owner shall have more memberships than the number of Lots owned by such Owner. Memberships shall be appurtenant to and may not be separated from ownership of the Lots. Ownership of a Lot or Lots shall be the sole Qualification for membership. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation.

ARTICLE V

VOTING RIGHTS

Members (Owners) shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members. The vote of such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any one Lot.

ARTICLE VI

COVENANTS FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within The Properties, subject to Section 6 of this Article, and each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, hereby covenant, and agree to pay to the Association: (1) annual assessment or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as herein provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. All subsequent purchasers shall take title to the Lot subject to said lien and shall be bound to inquire to the Association as to the amount of any unpaid assessments. Each such

assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the health, safety, welfare and recreation of the residents of The Properties and, in particular, annual assessments shall be used for: the maintenance and repair of the Common Properties; care and maintenance of the lake and riding trails; providing insurance coverage upon the Common Properties as herein set forth; providing for the recreation needs of the residents of The Properties; maintenance of the Constructed Wetland; the maintenance and repair of the Streets; and snow removal, except that the three (3) ten acre parcels southwest of the lake shall not be assessed for maintenance of the Constructed Wetland, maintenance and repair of the Streets or for snow removal.

Section 3. Annual Assessments. The annual assessment for each lot in Crystal Lake Estates shall be 8.44% and for each of the three (3) ten acre parcels southwest of the lake shall be 8% of the annual budget of the Crystal Lake Estates Homeowners Association and shall begin on January 1, 2003. On January 1st of the year immediately following the year in which the first lot in Phase II of Crystal Lake Estates is sold, the annual assessment for each lot in Phase I and II will be adjusted to 4.22% of the annual budget, except the three (3) 10 acre parcels southwest of the lake shall not be assessed for maintenance and repair of the Streets. Each lot in Crystal Lake Estates will be assessed 11.11% of the cost of maintaining and repairing the Streets with the annual assessment adjusted to 5.55% per lot on January 1st of the year immediately following the year in which the first lot in Phase II is sold.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Properties, the Constructed Wetland, or within the Streets, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of a majority of the votes of members who are voting in person or by proxy at a meeting called for this purpose. However, the initial construction of the streets and the Constructed Wetland in Crystal Lake Estates shall not be considered a Capital Improvement as described above and the total cost shall be the responsibility of the Declarant and the three (3) 10 acre parcels southwest of the lake shall not be assessed for construction, reconstruction, repair or replacement within the Streets or the Constructed Wetland.

Section 5. Notice and Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 of this Article shall be delivered either personally or by mail to all members no less than 10 days nor more than 60 days in advance of the meeting. Quorum requirements and voting procedures shall be set forth in the By-Laws of the Association.

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a quarterly basis.

The Board of Directors shall adopt a budget for each calendar year, which shall include the estimate of funds required to defray the expenses of the Association in the coming calendar (fiscal) year and provide funds for reserves as herein set forth. The budget shall be adopted in November of each year for the coming calendar year and copies of the budget and proposed annual maintenance and reserve assessments shall be sent to each Owner on or before December 31, preceding the year for which the budget is made. Budgets may be amended during a current year when necessary, but copies of the amended budget and proposed increase or decrease in assessments shall be sent to each Owner as promptly as possible.

The Board of Directors shall fix the amount of the annual assessment to be assessed against each Lot at least thirty (30) days prior to the commencement of the fiscal year of the Association, which shall coincide with the annual assessment period commencing on January 1 of each year and terminating on December 31 thereof. Written notice of the annual assessment shall be sent to each Owner subject thereto at least twenty (20) days prior to the due date for the assessment, or the first installment thereof, including the due dates and amounts thereof. The failure of the Board to so notify each Owner in advance shall not, however, relieve any Owner of the duty and obligation to pay such assessment or any installment thereof. The Board shall have the authority, in its discretion to require that all Owners pay the annual assessment in one payment or in installments becoming due at such time or times during the assessment year and payable in such manner as determined by the Board. The annual assessment shall be and become a lien as of the date of the annual assessment.

The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specific Lot have been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 7. Effect of Non-Payment of Assessments: The Personal Obligation of the Owner: The Lien; Remedies of the Association. If any assessment, or any installment thereof, is not paid on the date when due, then such assessment shall become delinquent and shall, together with such interest thereon and cost of collection thereof as hereinafter provided, thereupon become a continuing lien on the property which shall bind such property in the hands of the then Owner, his heirs, successors, personal representatives and assigns. The personal obligation of the then Owner to pay such assessment, however, shall remain his personal obligation for the statutory period and shall not pass as a personal obligation to his successors in title unless expressly assumed by them.

Any delinquent assessment or installment thereof not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of ten percent (10%) per annum. In the event the unpaid assessment is an installment of an annual assessment, the Association may, after such thirty (30) day period and during the continuance of the default, declare all remaining installments of said annual assessment immediately due and payable, at its option. The Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien against the Lot, and there shall be added to the amount of such assessment the costs of preparing and filing the complaint in such action, and in the event a judgment is obtained, such judgment shall include interest on the assessment as above provided, and a reasonable attorney's fee to be fixed by the court, together with the costs of the action. No Owner may waive or otherwise escape the liability for the assessments provided for herein by non-use of the Common Properties or abandonment of his Lot. The Mortgagee of the subject property shall have the right to cure any delinquency of an Owner by payment of all sums due, together with interest, costs and fees. The Association shall assign to such mortgagee all of its rights with respect to such lien and rights of foreclosure to the mortgagee. The Association reserves the right to require the Owner to secure a performance, cash bond or escrow Five Thousand Dollars (\$5,000.00) running to and for the benefit of the Association for the obligations arising under this Declaration to enforce the payment obligation and responsibilities agreed to by the Owners herein. This Five Thousand Dollars (\$5,000.00) sum, if held in escrow, will bear interest which will be paid to the Owner. This Five Thousand Dollars (\$5,000.00) sum will be held by the Association for a period of eighteen (18) months beginning with the Owner's full time occupancy in the Living Unit.

Section 8. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability or any assessments thereafter becoming due, or from the lien thereof.

ARTICLE VII

ARCHITECTURAL CONTROL COMMITTEE

Section 1. Establishment. The Board of Directors of the Association shall appoint three (3) or more persons to serve as an Architectural Control Committee (the "committee"). The Board as a whole or one or more members thereof may serve as members of the Committee. Such appointees shall serve until resignation or dismissal by the Board. Vacancies need not be filled unless the Committee has less than three (3) members remaining, in which event, a replacement shall be named at the earliest opportunity by the Board.

In the event the Architectural Control Committee fails to take any action within thirty (30) days after requests have been submitted, approval will not be required, and this Article will be deemed to have been fully complied with. A majority vote of the Committee members is required for approval of proposed improvements.

Section 3. Guidelines and Restrictions. The computation of living area shall be exclusive of porches, breezeways and garages. The minimum dwelling size shall be as follows:

- (a) For a ranch style (one level) or split-entry style home, the ground floor (or main level) shall contain not less than 1700 square feet of finished living area.
 (b) For a tri-level or multi-level style home the above grade levels shall contain a total of not less than 1900 square feet of living area.
 (c) For a 1 1/2 or 2 story style home the first and second floors shall contain a total of not less than 2100 square feet of living area.

All exterior paint must be approved by the Architectural Control Committee prior to the initial painting or any repainting or changing of color of any unit. The Architectural Control Committee shall exercise its best judgment to see that all improvements, construction, landscaping and alterations on lands within The Properties conform to and harmonize with existing surroundings and structures.

Section 4. Records. The Committee shall maintain written records of all applications submitted to it, the dates submitted and of all actions it takes in reference thereto and the dates such action is taken.

Section 5. Liability. The Architectural Control Committee shall not be liable in damage to any person submitting requests for approval or to any Owner within The Properties by reason of any action, failure to act, approve, disapprove, or failure to approve or disapprove with regard to such requests.

While the utility easement granted herein is a blanket easement, the easement shall not, nor is it intended to, interfere with the orderly development of each Lot, and the grantees of the above described easement agree to use only so much of the easement as is necessary for their purposes in order to maximize the buildable area of each Lot. The grantees of the above described easement further agree that subsequent to the construction of their respective improvements on the Properties, they shall reduce said blanket utility easement to a specific metes and bounds easement setting forth the actual amount of The Properties used for said improvements, and all Owners hereby covenant and agree to cooperate with the reduction of the blanket utility easement to a specific metes and bounds utility easement. Declarant hereby grants to itself and to each member of the Association, a perpetual easement as recorded against Tax Lots 71, 72 and 73, together with right of egress, ingress and other access thereto, for the purpose of use and enjoyment of the lake and trails.
