DECLARATION OF PROTECTIVE COVENANTS

KNOW ALL MEN BY THESE PRESENTS:

That we the undersigned, MARY CAMENZIND, single; LOUIS CAMENZIND, single; JOHN K. CAMENZIND and BETTY S. CAMENZIND, husband and wife; CARL HOLMQUIST and BEATRICE HOLMQUIST, husband and wife, and JOSEPH P. INSERRA and PHYLLIS M. INSERRA, husband and wife, the said Mary Camenzind, Louis Camenzind, John K. Camenzind, Carl Holmquist and Joseph P. Inserra being the sole and only owners of all of the real estate hereinafter described, do hereby adopt and impose upon said real estate, these covenants, restrictions, limitations and conditions, (all collectively hereinafter referred to by the general term of "Covenants") do hereby jointly and severally state, admit, acknowledge, publish and declare that said covenants henceforth, during the time the same remain in effect as hereinafter provided, shall apply to, control and govern the ownership, encumbrance, use and occupancy of each and all of the following described platted Lots, to-wit:

"Lot 1, Block 1; Lots 1 through 6 inclusive, Block 2; Lots 1 through 7 inclusive, Block 3; Lots 1 through 10 inclusive, Block 4; Lots 1 through 16 inclusive, Block 5; Lots 1 through 18, Block 6; Lots 1 through 8 inclusive, Block 7; Lots 1 through 5 inclusive, Block 8; Lots 1 through 15 inclusive, Block 9; Lots 1 through 9 inclusive, Block 10, all in CAMENZIND HIGHLAND SECOND ADDITION, a subdivision as surveyed, platted and recorded in Douglas County, Nebraska."

FIRST: These covenants are adopted and imposed as aforesaid in pursuance of a general plan for the development and improvement of each and all of the Lots above described, and shall run with the land and inure to the benefit of, and be binding upon each and every person, firm or corporation who, during the time these covenants are in effect, may own, hold, encumber, use, or occupy said Lots, and each of them, or any part thereof, or any interest therein. Any person, firm or corporation for whose benefit said covenants exist, may maintain suitable action, either at law or in equity, for the enforcement of said covenants, or for the recovery of damages resulting from any violation or breach of said covenants, but the prosecution of any such action shall be optional to such person, firm or corporation, and in no event be deemed to be obligatory or required of any such person, firm or corporation. Each and all of said covenants are severable and independent of each other, and the invalidation of any one or more of said covenants, or any part or parts thereof, by judgment, decree or other order of Court, in no event shall affect the validity or effect of the remaining covenants, or parts thereof, which nevertheless shall remain in full force and effect.

1001 1002
SECOND:

These covenants shall be and remain in effect for an initial period of twenty-five (25) years from and after this date, but thereafter, upon the expiration of said initial period, shall automatically be renewed and extended for successive periods of ten (10) years each, unless and until said covenants, in whole or in part, are terminated or changed through written agreement executed by the then owners of a majority of the Lots above described and recorded in the Office of the Register of Deeds of Douglas County, Nebraska, in the manner provided by law; provided, however, that the aggregate period of time, including said initial period and renewal or extension periods aforementioned, shall not exceed the maximum aggregate period of time allowable by law, at the expiration of which maximum legal period said covenants shall completely terminate.

THIRD:

The term "LOT" as used herein shall be construed to denote any of the following described parcels of land, to-wit: (a) a single lot as originally platted in the Plat and Dedication of said Addition, or (b) such a single platted lot together with the contiguous portion of one or more abutting platted lots used therewith, or (c) a parcel composed of portions of two or more such platted lots, which portions are contiguous to each other, provided, however, that the area of such parcel and dimensions of the rear and front lines of such parcel shall be, respectively, not less than the area and rear and front lines of either one of the platted lots out of which such parcel is formed.

FOURTH:

Each of said lots shall be used solely for residential, religious or educational purposes, or any combination of such uses. On any lot or lots used solely for residential purposes, there shall never exist any building or structure, other than a one detached single family dwelling, not exceeding two stories in height, with attached and enclosed garage facilities for not less than two automobiles. Each dwelling shall front upon a street upon which the lot or lots abut and shall be of solid, substantial and permanent construction, of such form, design and materials as will be in harmony with the neighborhood as a whole, and will not detract from the value, usefulness or desirability of any other property in said neighborhood, and shall conform to the following minimum requirements, to-wit:

- (a) The minimum area of any lot or tract upon which any dwelling is placed shall be 10,000 square feet.
- (b) No dwelling shall be placed nearer to the front lot line than 40 feet, or nearer to any interior side lot line than 10 feet, or nearer to any side lot line abutting upon a side street than 20 feet, or nearer to the rear lot line than 35 feet. As to any lot which abuts upon more than one street, either of the lot lines abutting upon a street may be considered to be the front lot line, and thereupon the other such street line shall be considered to be a side line, irrespective of the direction in which

the actual front of such dwelling faces. In applying the foregoing set back requirements, eaves, steps and open porches shall not be considered as part of the dwelling.

(c) No dwelling shall be permitted upon any lot or parcel of land described herein, having a ground floor square-foot area of less than 1,200 square feet in the case of a one story structure, nor less than 900 square feet in the case of a one and one-half or two story structure, exclusive of porches and garages.

(d) Each dwelling, before it becomes occupied or used, shall have completely installed a public sidewalk, at least four (4) feet wide and four (4) inches thick, and not nearer than four (4) feet to the nearest abutting street curb, constructed of concrete, for the full width of the lot or parcel of land at its front street line, and also for the full length or depth of the lot or parcel of land at its side street line if the lot or parcel of land abuts on more than one street.

FIFTH: Easements for the installation, construction, erection, extension, renewal, repair, maintenance and operation of sewer, water, gas, telephone and electric lines, including the equipment or appurtenances reasonably necessary therefor, hereby are created and reserved in perpetuity over, along, upon and under the rear and side five (5) feet of each lot in favor of the several public utilities now or hereafter operating such services or utilities.

SIXTH: No noxious, offensive or illegal trade or activity shall be carried on upon any lot or parcel of land, nor shall anything be done thereon which may be, or may become, an annoyance or nuisance to the neighborhood.

SEVENTH: No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other outbuilding, shall be erected upon, or used, on any lot or parcel of land at any time as a residence, either temporarily or permanently.

EIGHTH: Dwellings constructed in another addition or location shall not be moved upon any lot or parcel of land within this addition.

NINTH: No animals, livestock or poultry of any kind shall be raised, bred or kept upon any lot or parcel of land, except that dogs, cats or other household pets may be kept, provided they are not kept, bred or maintained for any commercial purpose.

TENTH: No garden or field crop whatsoever shall be grown between a dwelling and any lot line, or between a dwelling and any abutting street line, other than flowers, trees, shrubs, bushes, hedges or other ornamental plants or vegetation, provided, however, that in no event shall any of the aforementioned flowers, trees, shrubs, bushes,

401 100-401
hedges or other ornamental plants or vegetation obstruct the view of any street intersection or junction, nor otherwise constitute a hazard or nuisance to any abutting property, or to the neighborhood as a whole, or to either pedestrian or vehicular traffic.

ELEVENTH: All exposed chimneys and exposed foundations of all dwellings must be faced with brick or stone.

TWELFTH: The use of incinerators or trash burners is not permitted upon any lot or parcel of land, unless provision is made to incorporate the incinerator or trash burner into the dwelling.

THIRTEENTH: No building, fence, wall, sign board, or other structure shall be erected, altered, or placed upon any building lot or parcel of land within the subdivision, until complete plans, specifications and plot plan showing the location and grade of such building or improvement with respect to paved street and adjacent dwelling, if any, have been approved in writing by either MARY CAMENZIND or LOUIS CAMENZIND, as to use, conformity, and harmony of external design with existing structures, topography and finished ground elevation.

FOURTEENTH: Each and all of the lots hereinabove described are included within the corporate limits or boundaries of "Sanitary and Improvement District No. 117 of Douglas County, Nebraska," a public corporation, organized and existing under and by virtue of the laws of the State of Nebraska, for the purpose of providing said lots and the owners thereof with a system of public paved roads and streets, a sewer system, a water system and other public utilities or facilities and services permitted to such Districts by law, all as provided for by Sections 31-727 through 31-762 of the 1951 Cumulative Supplement to the Revised Statutes of Nebraska, 1943. The owner of any lot hereinabove described shall be entitled to all of the benefits for which such Sanitary and Improvement District exists, and likewise, shall be subject to all of the obligations and liabilities imposed upon the lots within said District as provided by law.

IN WITNESS WHEREOF, the said undersigned subscribed this instrument at Omaha, Douglas County, Nebraska, this 20th day of August, A.D. 1963.
