Provided, however, that such real property which has been reserved by the Owner as Common Area and reserved for the common use and enjoyment of members of the Association shall be available for such use as Common Area only for those members (and their invitees and guests) who reside in or are Owners of Lots, or tenants thereof, within Deerfield Subdivision and the aforescribed real estate which shall include all Association members and their invitees and guests.

1. Every Owner shall have a right and easement of enjoyment in and to the Common Area which shall be appurtenant to and shall pass with the title to every Lot, subject to the following provisions:

- A. The right of the Association to suspend the voting rights and the right to use the Common Area for any period during which any assessment against his Lot remains unpaid; and for a period not to exceed 120 days for any infraction of its published Rules and Regulations.
- B. Any Owner may delegate, in accordance with the By-Laws of the Association, his right of enjoyment to the Common Area and facilities to the members of his family, his tenants, or contract purchasers who reside on the property.

ARTICLE II MEMBERSHIP, VOTING RIGHTS, AND LOTS OWNED BY DECLARANT

1. Every Owner of a Lot which is subject to an assessment shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment.

2. The Association shall have one class of voting membership:

- A. Class A: Class A members shall be all Owners with the exception of the Declarant and shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members. 3. Lots owned by Declarant shall not be subject to assessments as are provided for in Article III hereof and the By-Laws of the Association, but shall be subject to all other Articles and Rules in the Covenants, By-Laws, and Rules and Regulations of the Association.

ARTICLE III
COVENANTS FOR MAINTENANCE ASSESSMENTS

1. Each Owner of any Lot by acceptance of a Deed therefore, whether or not it shall be so expressed in such Deed, is deemed to covenant and agree to pay to the Association:

- A. Annual assessments or charges; and
- B. Special assessments for capital improvements, such assessments to be established and collected as hereinafter provided.

The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Such assessments levied by the Association shall not carry priority over general taxes, special assessments, or bona fide real estate mortgages/Deeds of Trust, now or hereafter placed on record with respect to any such real estate, but shall be prior to any other liens. It is understood that such annual assessments shall not normally be recorded with the Register of Deeds of Dodge County, Nebraska, but that the Board of Directors of the Association have the power and authority, by instrument executed by the president of such Association, to record with the Register of Deeds, within six (6) months after the date of levy of any assessment, a written document setting forth the amount of the assessments with respect to each Lot or separate property, which document shall be with respect to each Lot a lien against the real estate. Provided, however, the filing of such written document is not necessary to charge said Lot with a lien for such assessment. Provided, further, that a written document executed by the president of the Association recorded with the Register of Deeds of Dodge County, Nebraska, showing that all assessments against any Lot or Lots have been paid through the date of such written document, shall be effective to release the lien of such assessment created hereby.

2. The assessments levied by the Association shall be exclusively to promote the recreation, health, safety, and welfare of the residents in the properties and for the improvement and maintenance of the Common Area.

3. Maximum Annual Assessment. Unless the written consent of the then Owners of a sixty-seven percent (67%) majority in interest of the Lots in said Subdivisions to a greater amount is obtained by the Association, the annual assessment shall not exceed the sum of \$100.00 per Lot. Provided, however, said maximum annual assessment for each year after 1994 may be increased each year to not more than five percent (5%) above the maximum assessment for the previous year without a vote of the membership. The maximum annual assessment for each year after 1994 may be increased by more than five percent (5%) over the previous maximum by a vote of sixty percent (60%) of the members who are voting in person or by proxy at a meeting duly called for this purpose.

4. The Board of Directors of the Association shall have the authority to set the level of the maximum annual assessment at an amount not in excess of the maximum, provided that no such assessment shall be effective if the Owners of more than sixty-seven percent (67%) of the Lots in the Subdivision in any calendar year shall execute and file with the Register of Deeds of Dodge County, Nebraska, an acknowledged instrument rescinding the assessment lien for such year.

5. Special Assessment for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of sixty-seven percent (67%) of the votes of the membership who are voting in person or by proxy at a meeting duly called for this purpose. Such assent shall be obtained prior to the incurring of any such cost.

6. Notice and Quorum For Any Action Authorized Under This Article III. Written notice of any meeting called for the purpose of taking any action authorized under Article III shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement and the required quorum at the subsequent meeting shall be one-half of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

7. Uniform Assessment. Both annual and special assessments must be fixed equally for each Lot within the Subdivisions.

8. Date of Commencement of Annual Assessments. Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the Common Area. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an Officer of the Association setting forth whether the assessments on a specified Lot have been paid.

9. Effect of Nonpayment of Assessment; Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall be deemed delinquent, shall bear interest from the due date at the rate of sixteen percent (16%) per annum, and shall cause the entire unpaid portion of said assessment for said year to be deemed delinquent. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property through proceedings in any Court in Dodge County, Nebraska, having jurisdiction of suits for the enforcement of such liens. No Owner may waive or otherwise escape liability for the assessments provide for herein by non-use of the Common Area or abandonment of his Lot.

10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage now or hereafter placed upon any property subject to assessment. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

11. Exempt Property. All properties dedicated to and accepted by a local public authority and all properties owned by a charitable or non-profit organization exempt from taxation by the laws of the State of Nebraska shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

ARTICLE IV ARCHITECTURAL CONTROL

1. No dwelling, building, fence, storage shed, wall, dock, or any other structure, or the color of any structure to be built upon a Lot or to be maintained on a Lot shall be commenced, erected, or maintained upon such a Lot, nor shall any exterior addition to or change or alteration thereon be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures by the Board of Directors of the Association or by an architectural committee composed of three (3) or more representatives appointed by the Board of Directors of the Association. In the event said Board or its designated committee fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this paragraph will be deemed to have been fully complied with.

2. All approved construction after commencement will be substantially completed within twelve (12) months following the date of commencement of construction.

ARTICLE V EXTERIOR MAINTENANCE

In the event an Owner of any Lot in the properties shall fail to maintain the premises and the improvements situated thereon, in a manner satisfactory to the Board of Directors, the Association, after approval by two-thirds (2/3) vote of the Board of Directors and 60 days written notice, shall have the right, through its agent and

05670

employees to enter upon said parcel and to repair, maintain, and restore the Lot and the exterior of the buildings and any other improvements erected thereon. The cost of such exterior maintenance shall be added to and become part of the assessment to which such Lot is subject.

ARTICLE VI
