 - (a) The right of the Association to charge reasonable admission and other fees for the use of any recreational facility situated upon the Common Area, and to otherwise impose reasonable limitations on the use thereof;
 - (b) The right of the Association to suspend the voting rights and right to use of the recreational facilities by an Owner for any period during which any assessment against his Lot remains unpaid; and for a period not to exceed sixty (60) days for an infraction of its published rules and regulations.
 - (c) The right of the Association, in accordance with its Articles of Incorporation and By-laws, to borrow money for the purpose of improving the Common Area and facilities, and in aid thereof to mortgage said Common Area and facilities, provided that the rights of any mortgagee shall be subordinate to the rights of the Owners.

ARTICLE IV

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association:

(1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees incurred in collection of the same, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, and welfare of the residents of the Properties and in particular for the improvement and maintenance of Properties, services, and facilities devoted to

800K 589 PAGE 477

this purpose and related to the use and enjoyment of the common Properties and of the homes situated upon the Properties, including, but not limited to, the payment of taxes and insurance on the Common Area and repair, replacement, and additions thereto, and for the cost of labor, equipment, materials, management, and supervision thereof.

- Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be Fifty Dollars (\$50.00) per Lot.
 - (a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased each year not more than three percent (3%) above the maximum assessment for the previous year without a vote of the membership.
 - (b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above three percent (3%) by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.
 - (c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.
- Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of both classes of members who are voting in person or by proxy at a meeting duly called for this purpose. For purposes of this section, capital improvements shall be defined as recreation-oriented facilities (swimming pool, tennis courts, club house and similar related facilities). The term capital improvements shall not be construed to include hicycle paths, benches, trees, shrubs and similar landscaping amenities.
 - Section 5. Notice and Quarum for Any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Sections 3 or 4 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.
- Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots, provided that the rate set for the Lots owned by the Declarant shall be fixed at one-third (1/3) the assessment rate for the other

Lots. These assessments may b^{\perp} collected on a monthly, quarterly, semi-annual or annual basis as lesignated by the Board of Directors.

Section 7. Date of Commencement of Annual Assessments:

Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the Common Area from the Declarant to the Association. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. Such certificate shall be conclusive evidence of the facts stated therein.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of six percent (6%) per annum. The association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 10. Exempt Property. The following property subject to this Declaration shall be exempt from the assessments, charges and liens created herein:

- (a) All properties to the extent of any easement or other interest therein dedicated and accepted by the local public authority and devoted to public use;
- (b) All Common Areas as defined in Article I, Section 5 hereof.

ARTICLE V

ARCHITECTURAL CONTROL

Section 1. No building, fence, wall, structure, or other improvement of any type or description (other than landscaping) shall be constructed, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an architectural control committee composed of three (3) or more representatives appointed by the Board.

800K 589 PAGE 479

- Section 2. The Board, or its designated committee, shall have the right to disapprove any such plans or specifications which are not suitable or desirable in the Board or committee's opinion for aesthetic or other reasons, and in passing upon such plans and specifications, the Board or committee shall have the right to take into consideration the suitability of the proposed building or other structure and of the materials of which it is to be built, the color scheme, the site upon which it is proposed to erect the same, the harmony thereof with the surroundings, the topography of the land and the effect of the building or other structure as planned on the outlook from the adjacent or neighboring property, and if it is in accordance with all of the provisions of this Declaration.
- <u>Section 3</u>. The Board or committee may disapprove if the plans and specifications submitted are incomplete, or in the event the Board or committee deems the plans, specifications or detail or any part thereof to be contrary to the spirit or intent of these conditions and restrictions. The decisions of the Board or its said committee shall be final.
- Section 4. Neither the undersigned nor any architect or agent of the undersigned nor any member of the Board or its said committee by virtue of his membership thereon, or discharge of his duties required thereby, shall be responsible in any way for any defects in any plans or specifications submitted, revised or approved in accordance with the foregoing, nor for any structural or other defects in any work done according to such plans or specifications. No building or improvements of any kind constructed or placed upon any of said lots thereafter shall be moved with the prior written approval of the Board or its said committee. In the event said Board, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with. Neither the members of the Board or its said committee shall be entitled to any compensation for services performed pursuant to this covenant.

ARTICLE VI

USE RESTRICTIONS

- Section 1. The use of the Common Area shall be subject to the restrictions set forth in Article II, Section 1, and to those restrictions hereinafter set forth.

Included within such regulations, but not by way of limitation thereof, shall be a prohibition against dogs, cats, and other household animals being allowed to run at large within the Properties and Common Area, and a requirement that same at all times be on a leash or other immediate control of their owner. No grading equipment or other heavy machinery or equipment, vehicle undergoing repair, van or aircraft shall be stored outside the garage or in any manner left exposed on any Lot at any time.
- Section 9. No repair of automobiles will be permitted outside of garages on any Lot at any time; nor will any vehicle offensive to the neighborhood be visibly stored, parked, or abandoned in the neighborhood. No unused building material, junk, or rubbish shall be left exposed on any Lot except during actual building operations.

- Section 12. No garbage, refuse, rubbish or cuttings shall be deposited on any street, road, or portion of the Common Area, nor on any of the Lots covered by this declaration unless placed in a suitable container discreetly concealed so as to not be visible from other Lots, Common Areas or streets.

- Section 17. Upon the owner's failure to maintain the exterior of any structure in good repair and appearance, the said Board or its designated committee may, at its option, after giving the owner six month's written notice sent to his last known address, make repairs and improve the appearance in a reasonable and workmanlike manner.

- Section 18. The cost of such maintenance referred to in Sections 12 and 13 of this Article shall be assessed against the Lot upon which such maintenance is done and shall be added to and become part of the periodic maintenance, assessment or charge to which such Lot is subject under Article IV hereof.
- Section 19. Notwithstanding any provisions herein contained to the contrary, it shall be expressly permissible for a builder of said buildings, upon receipt of prior written permission from the Association to maintain during the period of construction and sale of said buildings upon such portion of the premises as such builder may choose, such facilities as may be reasonably required, convenient or incidental to the construction and sale of, including but without limitation, a business office, a storage area, construction yards, signs, model units and sales office.

ARTICLE VII

GENERAL PROVISIONS

- Section 1. Enforcement. The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of right to do so thereafter.
- Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.
- Section 3. Notices. Any notice required to be sent to any member or Owner under the provisions of this declaration shall be deemed to have been properly sent when mailed, post paid, to the last known address of the person who appears as member or Owner on the records of the Association at the time of such mailing.
- Section 4. Construction Easement. Section 7. Amendment. The covenants and restrictions of this declaration shall run with and bind the land for a term of thirty (30) years from the date of recording of this declaration, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended during the first twenty (20) year period by an instrument signed by Owners of not less than ninety percent (90%) of the Lots, and thereafter by an instrument signed by Owners of not less than seventy-five percent (75%) of the Lots, provided that Declarant may, within five (5) years of the date of this instrument, amend this Declaration without the consent of Class A members, subject to the provisions of Section 9 of this Article.
