A request for reconsideration must be made in writing to the DRB within five (5) days of receipt of Notice of approval or denial. Reconsideration by the DRB shall occur at the DRB's next regularly scheduled meeting. In the event of approval of plans, one complete set of plans shall be returned to the Owner with DRB's written notation or stamp specifying approval.

The DRB members may conduct their meetings by conference telephone or similar communications equipment, and participation by such means shall constitute presence in person at such meeting, including presence for purposes of determining the existence of a quorum. If the DRB fails to act upon any application or application for reconsideration within ten (10) working days of the date of submission, it shall be deemed that the DRB's decision was for denial.
- d. In making its decision, the DRB may consider any and all factors that the DRB determines to be appropriate. The DRB's determination shall be based upon criteria and factors expressed within and throughout this Declaration of Covenants, as well as written standards and design criteria which the DRB may develop for its use in

making decisions. All such standards and design criteria shall nonetheless provide for construction and appearance that is in conformity with this Declaration and the character of Equestrian Ridge sought to be attained through this Declaration. The establishment, the exercise and the enforcement of these standards are to assist the establishment and maintenance of the intended and expressed quality, character and aesthetics of Equestrian Ridge as a residential community with a rural ambience. These standards for review, as applied by the DRB, may include, without limitation, the plans, specifications, exterior colors, materials, size, location, elevation, landscaping and use of the proposed Improvement.

The DRB may, through its written standards and design criteria, establish the guidelines that it intends to follow in making its decision for approval or denial. Such standards and design criteria shall be referred to as Design Criteria. The written Design Criteria may be amended from time to time by the DRB. The Design Criteria and any amendments thereto, shall be provided to any prospective Owner.

Any written Design Criteria issued by the DRB as a result hereof shall not limit nor otherwise impair the application of any of the standards or guidelines expressed within and throughout this Declaration of Covenants. The Design Criteria shall be considered as supplemental to this Declaration of Covenants and as a written expression of the standards and guidelines to be utilized by the DRB.

- e. Neither the Declarant, the Association, the Board of Directors, the DRB, any member of the DRB, nor any member of the Association shall be personally liable to any person for any action taken, or inaction, with respect to any matter submitted for approval, for reconsideration, for the adoption of any rules, regulations or guidelines, or for the enforcement of or failure to enforce any restrictions or covenants contained in this Declaration. The dues and assessments shall be fixed from time to time and shall be payable at the times and in the manner prescribed.

5. Liens and Personal Obligations for Dues and Assessments. The assessments and dues, together with interest thereon, costs and reasonable attorneys' fees, shall be the personal obligation of the Owner of each Lot at the time when the dues or assessments first become due and payable. The dues and assessments, together with interest thereon, costs and reasonable attorneys' fees, shall also be a charge and continuing lien upon the Lot in respect of which the dues and assessments are charged. The personal obligation for delinquent assessments shall not pass to the successor in title to the Owner at the time the dues and assessments become delinquent unless such dues and assessments are expressly assumed by the successors, but all successors shall take title subject to the lien for such dues and assessments, and shall be bound to inquire of the Association as to the amount of any unpaid assessments or dues.

Delinquent dues or assessment shall bear interest from the due date at the rate of sixteen percent (16%) per annum, compounded annually. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot or Lots, and pursue any other legal or equitable remedy. The Association shall be entitled to recover as a part of the action the costs and reasonable attorneys' fees incurred by the Association with respect to such action. No Owner may waive or otherwise escape liability for the charge and lien provided for herein by nonuse of the Common Facilities or abandonment of his Lot. The mortgagee of any Lot shall have the right to cure any delinquency of an Owner by payment of all sums due, together with interest, costs and fees. The Association shall assign to such mortgagee all of its rights with respect to such lien and right of foreclosure and such mortgagee may thereupon be subrogated to any rights of the Association.

12. Subordination of the Lien to Mortgagee. The lien of dues and assessments provided for herein shall be subordinate to the lien of any mortgage, contract or deed of trust given as collateral for a home improvement or purchase money loan.
