NOW, THEREFORE, the Declarant hereby declares that each and all of the Lots shall be held, sold and conveyed subject to the following restrictions, covenants, conditions and easements, all of which are for the purpose of enhancing and protecting the value, desirability and attractiveness of the Lots, and the enjoyment of the residents of the Lots. These restrictions, covenants, conditions and easements shall run with such Lots and shall be binding upon all parties having or acquiring any right, title or interest in each Lot, or any part thereof, as is more fully described herein. The Lots and each Lot is and shall be subject to all and each of the following conditions and other terms:

ARTICLE I.  
RESTRICTIONS AND COVENANTS

1. Each Lot shall be used exclusively for single-family residential purposes, except for such Lots or parts thereof as may hereafter be conveyed or dedicated by Declarant, or its successors or assigns, for use in connection with a Common Facility, or as a church, school, park, outlot, or for other non-profit use.

2. No residence, building, fence (other than fences constructed by the Declarant), wall, pathway, driveway, patio, patio cover enclosure, deck, rock garden, swimming pool, dog house, pool house, tennis court, flag pole, satellite receiving station or "discs", solar heating or cooling device, or other external improvement, above or below the ground (herein all referred to as any "Improvement") shall be constructed, erected, placed or permitted to remain on any Lot, nor shall any grading, excavation or tree removal for any Improvement be commenced, except for Improvements which have been approved by Declarant as follows:

A. An owner desiring to erect an Improvement shall deliver two (2) sets of construction plans, landscaping plans and plot plans to Declarant (herein collectively referred to as the "plans"). Such plans shall include a description, type, quality, color (including any change in color) and use of materials proposed for the exterior of such Improvement. Concurrent with submission of the plans, owner shall notify the Declarant of the owner's mailing address.

B. Declarant shall review such plans in relation to the type and exterior of improvements constructed, or approved for construction, on neighboring Lots and in the surrounding area, and any general scheme or plans formulated by Declarant. In this regard, Declarant intends that the Lots shall form a residential community with homes constructed of high quality materials. The decision to approve or refuse approval of a proposed Improvement shall be exercised by Declarant to promote development of the Lots and to protect the values, character and residential quality of all Lots. If Declarant determines that the proposed Improvement will not protect and enhance the integrity and character of all the Lots and neighboring Lots as a quality residential community, Declarant may refuse approval of the proposed Improvement. All homes must be painted with earth tone colors or as approved by the Declarant.

C. Written notice of any approval of a proposed Improvement shall be mailed or sent via electronic mail (such as email) to the owner at the address specified by the owner upon submission of the plans. Such notice shall be mailed, if at all, within thirty (30) days after the date of submission of the plans. If notice of approval is not mailed within such period, the proposed Improvement shall be deemed disapproved by Declarant.

D. No Lot owner, or combination of Lot owners, or other person or persons, shall have any right to any action by Declarant, or to control, direct or influence the acts of the Declarant with respect to any proposed Improvement. No responsibility, liability or obligation shall be assumed by or imposed upon Declarant by virtue of the authority granted

to Declarant in this Section, or as a result of any act or failure to act by Declarant with respect to any proposed Improvement.

3. No single-family residence shall be created, altered, placed or permitted to remain on any Lot other than one detached single-family dwelling which does not exceed two and one-half stories in height. No structure, building or porch shall be constructed, erected, installed or situated within thirty (30) feet of the front yard line, except as set forth herein, all Improvements on the Lots shall comply with all other set back requirements of the Zoning Code of the City of Omaha, Nebraska.

4. The exposed front foundation walls and any foundation walls facing the front street of all main residential structures and other front facing walls approved by Declarant must be constructed of or faced with clay-fired brick or stone or other material approved by Declarant. All exposed side and rear concrete or concrete block foundation walls not facing a street must be covered with clay-fired brick, stone or siding, or constructed of brick patterned poured concrete unless otherwise approved by Declarant. Brick patterned poured concrete or exposed concrete block foundation walls shall be painted. All driveways must be constructed of concrete, brick, paving stone, or laid stone. All foundations shall be constructed of concrete, concrete blocks, brick or stone. Fireplace chimneys shall be covered with wood or other material approved in writing by Declarant. Fireplace chimneys which face a street must be covered with brick or stone. Unless other materials are specifically approved by Declarant, the roof of all Improvements shall be covered with asphalt shingles (30 year Heritage style and Weathered Wood in color) or other shingles approved by Declarant.

5. No streamers, posters, banners, balloons, exterior illumination or other rallying devices will be allowed on any Lot in the promotion or sale of any Lot, residential structure or property unless approved in writing by the Declarant. No advertising signs, billboards, unsightly objects or nuisances shall be erected, placed or permitted to remain on any Lot except one sign per Lot consisting of not more than six (6) square feet advertising a Lot as "For Sale". No business activities of any kind whatsoever shall be conducted on any Lot including home occupations as defined in the Zoning Code of the City of Omaha, Nebraska; nor shall the premises be used in any way for any purpose which may endanger the health or unreasonably disturb the owner or owners of any Lot or any resident thereof. Provided, however, the foregoing paragraph shall not apply to the business activities, signs and billboards or the construction and maintenance of buildings, if any, by Declarant, their agents or assigns, during the construction and sale of the Lots.

6. No obnoxious or offensive activity shall be carried on upon any Lot, nor shall anything be done thereon which may be, or may become, an annoyance or nuisance to the neighborhood, including, but not limited to, odors, dust, glare, sound, lighting, smoke, vibration and radiation. Exterior lighting installed on any Lot shall either be indirect or of such a controlled focus and intensity as not to disturb the residents of adjacent Lots. Any change in color or use of materials for the exterior of any Improvement subsequent to the Declarants initial approval shall be submitted to Declarant or its assigns for review in accordance with Article I, Section 2 hereof.

7. Exterior television or radio antenna of any sort shall not be permitted on any Lot, except a satellite receiving dish not exceeding twenty-four (24) inches in diameter and attached directly to the residence may be permitted provided that the location and size of the proposed satellite receiving dish be first approved by the Declarant, or its assigns. No unused building material, junk or rubbish shall be left exposed on the Lot except during actual building operations, and then only in as neat and inconspicuous a manner as possible.

9. No boat, camper, trailer, auto-drawn or mounted trailer of any kind, mobile home, truck, aircraft, camper truck or similar chattel shall be maintained or stored on any part of a Lot (other than in an enclosed structure) for more than twenty (20) days within a calendar year. No motor vehicle may be parked or stored outside on any Lot, except vehicles driven on a regular basis by the occupants of the dwelling located on such Lot. No grading or excavating equipment, tractors or semitractors/trailers shall be stored, parked, kept or maintained in any yards, driveways or streets. However, this Section 9 shall not apply to trucks, tractors or commercial vehicles which are necessary for the construction of residential dwellings during the period of construction. All residential Lots shall provide at least the minimum number of off street parking areas or spaces for private passenger vehicles required by the applicable zoning ordinances of the City of Omaha, Nebraska.

10. No incinerator or trash burner shall be permitted on any Lot. No garbage or trash can or container or fuel tank shall be permitted unless completely screened from view, except for pickup purposes. No garden, lawn or maintenance equipment of any kind whatsoever shall be stored or permitted to remain outside of any dwelling or suitable storage facility, except when in actual use. No garbage, refuse, rubble or cutting shall be deposited on any street, road or Lot. No clothes line shall be permitted outside of any dwelling at any time. Produce or vegetable gardens may only be maintained in rear yards and shall be no larger than one hundred (100) square feet.

11. No fence shall be permitted to extend beyond the front line of a main residential structure. No hedges or mass planted shrubs shall be permitted more than ten (10) feet in front of the front building line. No fence shall be of the chain link wire types or vinyl covered chain link.

12. No swimming pool may extend more than one (1) foot above ground level. Pool related outbuildings may be permitted provided that they are constructed of the same material as the residence and are approved in writing by the Declarant.

13. Construction of any Improvement shall be completed within one (1) year from the date of commencement of excavation or construction of the Improvement. No excavation dirt shall be spread across any Lot in such a fashion as to materially change the grade or contour of any Lot.

14. A public sidewalk shall be constructed of concrete five (5) feet wide by four (4) inches thick in front of each Lot and upon each street side of each corner Lot. The sidewalk shall be placed six (6) feet six (6) inches back of the street curb line and shall be constructed by the owner of the Lot prior to the time of completion of the main structure and before occupancy thereof; provided, however, this provision shall vary to comply with any requirements of the City of Omaha.

15. Driveway approaches between the sidewalk and curb on each Lot shall be constructed of concrete. Should repair or replacement of such approach be necessary, the repair or replacement shall also be of concrete. No asphalt overlay of driveway approaches will be permitted.

16. No stable or other shelter for any animal, livestock, fowl or poultry shall be erected, altered, placed or permitted to remain on any Lot, except for one dog house; provided always that the construction plans, specifications and the location of the proposed structure have been first approved by Declarant, or its assigns, if required by this Declaration. Dog houses shall only be allowed at the rear of the residence, attached to or immediately adjacent to the residence. Dog runs or kennels shall be permitted only with the approval of the Declarant, or its assigns; provided always that any permitted dog run or kennel shall be located immediately adjacent to the rear of the residence. No animals, livestock, agricultural-type animals, fowl, or poultry of any kind, including pot-bellied pigs, shall be raised, bred or kept on any Lot, except that

dogs, cats, or other household pets maintained within the residential structure may be kept, provided that they are not kept, bred or maintained for any commercial purpose and, provided, that they are kept confined to the Lot of their owner and are not permitted to run loose outside the Lot of the owner.

17. Any exterior air conditioning condenser unit shall be placed in the rear yard or any side yards so as not to be visible from public view. No grass, weeds or other vegetation will be grown or otherwise permitted to commence or continue, and no dangerous, diseased or otherwise objectionable shrubs or trees will be maintained on any Lot so as to constitute an actual or potential public nuisance, create a hazard or undesirable proliferation, or detract from a neat and trim appearance. Vacant Lots shall not be used for dumping of earth or any waste materials, and no vegetation on vacant Lots shall be allowed to reach a height in excess of eighteen (18) inches.

18. No Residence shall be constructed on a Lot unless the entire Lot, as originally platted, is owned by one owner of such Lot, except if parts of two (2) or more platted Lots have been combined into one Lot which is at least as wide as the narrowest Lot on the original plat, and is as large in area as the largest Lot in the original plat.

19. No structure of a temporary character, carport, detached garage, trailer, basement, tent, outbuilding or shack shall be erected upon or used on any Lot at any time, either temporarily or permanently. No structure or dwelling shall be moved from outside Falling Waters – Phase II to any Lot without the written approval of Declarant. No tree houses, tool sheds (excluding solely pool related facilities), play houses, windmills or similar structures shall be permitted on any Lot. Basketball backboards will not be approved if mounted to house or other similar structure.

20. All utility service lines from each Lot line to a dwelling or other Improvement shall be underground.

21. Declarant does hereby reserve unto itself the right to require the installation of siltation fences or erosion control devices and measures in such location, configurations and designs as it may determine appropriate in its sole and absolute discretion on or from any Lot, including "track-out". The Lot owner shall be solely responsible for the cost of any erosion control measures.

## ARTICLE II. BOUNDARY FENCE

1. Construction and Location of Boundary Fence. Declarant must approve in writing any plans to construct boundary fences along Harrison Street (the "Boundary Fence"). The Boundary Fence, if constructed: (i) will be situated on the southernly most boundary line from Outlot F to Lot 249, inclusive; (ii) extend vertically approximately six (6) feet; (iii) be uniform in construction; and (iv) be of the same material as shall be determined by Declarant. Each of such Lots are collectively referred to as the "Boundary Lots".

2. Maintenance, Repair and Replacement of Boundary Fence. Declarant hereby declares that the Boundary Lots are subject to a permanent and exclusive right and easement in favor of Declarant, the Falling Waters – Phase II Homeowners Association ("Association") and Sanitary and Improvement District No. 562 of Douglas County, Nebraska ("SID 562") to maintain, repair and replace the Boundary Fence. Without limitation of the rights and easements granted by this Declaration, the Declarant, Association or SID 562 may come upon any of the Boundary Lots for the purpose of constructing, installing, repairing, maintaining, removing, and replacing the Boundary Fence. Notwithstanding the foregoing, the Owner of a Boundary Lot agrees to keep the Boundary Fence adjoining the respective Owner's Lot in good order and repair and is primarily responsible for the repair, replacement or maintenance of the Boundary Fence

adjoining the Owner's Lot. The repair, replacement or maintenance responsibilities of Declarant, SID 562 or the Association are not mandatory, but solely discretionary to the Declarant, SID 562 or the Association.

ARTICLE III.  
HOMEOWNERS ASSOCIATION

1. The Association. Declarant has caused the incorporation of FALLING WATERS – PHASE II HOMEOWNERS ASSOCIATION, a Nebraska not for profit corporation (hereinafter referred to as the "Association"). The Association has as its purpose the promotion of the health, safety, recreation, welfare and enjoyment of the residents of the Lots, including:

A. The acquisition, construction, landscaping, improvement, equipment, maintenance, operation, repair, upkeep and replacement of Common Facilities for the general use, benefit and enjoyment of the Members. Common Facilities may include recreational facilities such as swimming pools, tennis courts, health facilities, playgrounds and parks; and dedicated and nondedicated roads, paths, ways and green areas; signs and entrances for Falling Waters – Phase II. Common Facilities may be situated on property owned or leased by the Association, on public property, on private property subject to an easement in favor of the Association, or on property dedicated to a Sanitary Improvement District.

B. The promulgation, enactment, amendment and enforcement of rules and regulations relating to the use and enjoyment of any Common Facilities, provided always that such rules are uniformly applicable to all Members. The rules and regulations may permit or restrict use of the Common Facilities by Members, their families, their guests, and/or by other persons, who may be required to pay a fee or other charge in connection with the use or enjoyment of the Common Facility.

C. The exercise, promotion, enhancement and protection of the privileges and interests of the residents of Falling Waters – Phase II; and the protection and maintenance of the residential character of Falling Waters – Phase II.

2. Membership and Voting. Falling Waters – Phase II is divided into eighty-seven (87) separate residential lots (referred to as the "Lots"). The "Owner" of each Lot shall be a Member of this Association. For purposes of this Declaration, the term "Owner" of a Lot means and refers to the record owner, whether one or more persons or entities, of fee simple title to a Lot, but excluding however those parties having any interest in any of such Lots merely as security for the performance of an obligation (such as a contract seller, the trustee or beneficiary of a deed of trust, or a mortgagee). The purchaser of a Lot under a land contract or similar instrument shall be considered to be the "Owner" of the Lot for purposes of this Declaration. Membership shall be appurtenant to ownership of each Lot, and may not be separated from ownership of each Lot.

The Association shall have two (2) classes of voting members, Class A Members and Class B Members, defined as follows:

CLASS A: Class A Members shall be all Owners, with the exception of Declarant or its assigns. Each Class A Member shall be entitled to one (1) vote for each Lot owned. When there shall be more than one person or entity holding an interest in any Lot, all such persons or entities or both, shall be Members; provided however that the vote for such Lot shall be exercised as such persons or entities or both, shall determine, but in no event shall more

than one vote be cast with respect to any one Lot. It is understood that the Owner of each respective Lot created as a result of a Lot Split shall be entitled to one (1) vote.

CLASS B: The Class B Member shall be Declarant, or its assigns, which shall be entitled to three (3) votes for each Lot owned. For purposes herein, Declarant shall be considered the Owner of a Lot notwithstanding the existence of any contract for sale or purchase agreement, with such ownership status continuing in all events until title is transferred by Declarant through the execution, delivery and recordation of a Warranty Deed. The Class B membership shall terminate and be converted into a Class A membership upon the occurrence of the date on which the total votes outstanding in the Class A membership shall equal or exceed the total votes outstanding in the Class B membership.

The Class A and Class B Members may be sometimes collectively referred to as "Members".

In the event Lot 260 is subdivided and developed into single family lots, Lot 260 shall be subject to this Declaration and its Lot Owners shall be Members of the Association.

3. Purposes and Responsibilities. The Association shall have the powers conferred upon not for profit corporations by the Nebraska Nonprofit Corporation Act, and all powers and duties necessary and appropriate to accomplish the purposes and administer the affairs of the Association. The powers and duties to be exercised by the Board of Directors, and upon authorization of the Board of Directors by the officers, shall include, but shall not be limited to, the following:

A. The acquisition, development, maintenance, repair, replacement, operation and administration of Common Facilities, and the enforcement of the rules and regulations relating to the Common Facilities.

B. The landscaping, mowing, watering, repair and replacement of parks and other public property and improvements on parks or public property within or near Falling Waters – Phase II.

C. The fixing, levying, collecting, abatement, and enforcement of all charges, dues, or assessments made pursuant to the terms of this Declaration.

D. The expenditure, commitment and payment of Association funds to accomplish the purposes of the Association including, but not limited to, payment for purchase of insurance covering any Common Facility against property damage and casualty, and purchase of liability insurance coverages for the Association, the Board of Directors of the Association and the Members.

E. The exercise of all of the powers and privileges, and the performance of all of the duties and obligations of the Association as set forth in this Declaration, as the same may be amended from time to time.

F. The acquisition by purchase or otherwise, holding, or disposition of any right, title or interest in real or personal property, wherever located, in connection with the affairs of the Association.

G. The deposit, investment and reinvestment of Association funds in bank accounts, securities, money market funds or accounts, mutual funds, pooled funds, certificates of deposit or the like.

H. The employment of professionals and consultants to advise and assist the officers and Board of Directors of the Association in the performance of their duties and responsibilities for the Association.

I. General administration and management of the Association and execution of such documents and the doing and performance of such acts as may be necessary or appropriate to accomplish such administration or management.

J. The doing and performing of such acts, and the execution of such instruments and documents, as may be necessary or appropriate to accomplish the purposes of the Association.

4. Mandatory Duties of Association. The Association shall maintain and repair the fence, signs, landscaping, mailbox cluster units (not the individual mail compartments, locks or keys), lighting systems and sprinkler systems, if any, which have been installed in easement areas of the Falling Waters – Phase II subdivision and center islands dividing dedicated roads, in generally good and neat condition. Maintenance of the mailbox compartments shall be the sole responsibility of the users thereof.

5. Imposition of Dues and Assessments. The Association may fix, levy and charge the Owner of each Lot with dues and assessments (herein referred to respectively as "dues and assessments") under the following provisions of this Declaration. Except as otherwise specifically provided, the dues and assessments shall be fixed by the Board of Directors of the Association and shall be payable at the times and in the manner prescribed by the Board.

6. Abatement of Dues and Assessments. Notwithstanding any other provision of this Declaration, the Board of Directors may abate all or part of the dues or assessments due in respect of any Lot, and shall abate all dues and assessments due in respect of any Lot during the period such Lot is owned by the Declarant or a builder until the residence constructed on the Lot is first occupied.

7. Liens and Personal Obligations for Dues and Assessments. The assessments and dues, together with interest thereon, costs and reasonable attorneys' fees, shall be the personal obligation of the Owner of each Lot at the time when the dues or assessments first become due and payable. The dues and assessments, together with interest thereon, costs and reasonable attorneys' fees, shall also be a charge and continuing lien upon the Lot in respect of which the dues and assessments are charged. The personal obligation for delinquent assessments shall not pass to the successor in title to the Owner at the time the dues and assessments become delinquent unless such dues and assessments are expressly assumed by the successor, but all successors shall take title subject to the lien for such dues and assessments, and shall be bound to inquire of the Association as to the amount of any unpaid assessments or dues.

8. Purpose of Dues. The dues collected by the Association may be committed and expended to accomplish the purposes of the Association described in Section 1 of this Article, and to perform the Powers and Responsibilities of the Association described in Sections 3 and 4 of this Article.

9. Maximum Annual Dues. Unless excess dues have been authorized by the Members in accordance with Section 11 below, the aggregate dues which may become due and payable in any year shall not exceed the greater of:

A. Two Hundred Fifty and no/100 Dollars (\$250.00) per Lot.

B. In each calendar year beginning on January 1, 2016, one hundred twenty-five percent (125%) of the aggregate dues charged in the previous calendar year.

10. Assessments for Extraordinary Costs. In addition to the dues, the Board of Directors may levy an assessment or assessments for the purpose of defraying, in whole or in part, the costs of any acquisition, construction, reconstruction, repair, painting, maintenance, improvement, or replacement of any Common Facility, including fixtures and personal property related thereto, and related facilities. The aggregate assessments in each calendar year shall be limited in amount to Five Hundred and no/100 Dollars (\$500.00) per Lot.

11. Excess Dues and Assessments. With the approval of seventy-five percent (75%) of the Members of the Association, the Board of Directors may establish dues and/or assessments in excess of the maximums established in this Declaration.

12. Uniform Rate of Assessment. Assessments and dues shall be fixed at a uniform rate as to all Lots, but dues may be abated as to individual Lots as provided in Section 6 above.

13. Certificate as to Dues and Assessments. The Association shall, upon written request and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the dues and assessments on a specified Lot have been paid to the date of request, the amount of any delinquent sums, and the due date and amount of the next succeeding dues, assessment or installment thereof. The dues and assessment shall be and become a lien as of the date such amounts first become due and payable.

14. Effect of Nonpayment of Assessments; Remedies of the Association. Any installment of dues or assessments which is not paid when due shall be delinquent. Delinquent dues or assessments shall bear interest from the due date at the rate of sixteen percent (16%) per annum, compounded annually. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot or Lots, and pursue any other legal or equitable remedy. The Association shall be entitled to recover as a part of the action and shall be indemnified against the interest, costs and reasonable attorneys' fees incurred by the Association with respect to such action. No Owner may waive or otherwise escape liability for the charge and lien provided for herein by nonuse of the Common Facilities or abandonment of the Owner's Lot. The mortgagee of any Lot shall have the right to cure any delinquency of an Owner by payment of all sums due, together with interest, costs and fees. The Association shall assign to such mortgagee all of its rights with respect to such lien and right of foreclosure and such mortgagee may thereupon be subrogated to any rights of the Association.

15. Subordination of the Lien to Mortgagee. The lien of dues and assessments provided for herein shall be subordinate to the lien of any mortgage, contract or deed of trust given as collateral for a home improvement or purchase money loan. Sale or transfer of any Lot shall not affect or terminate the dues and assessment lien.

16. Additional Lots. Declarant reserves the right, without consent or approval of any Owner or Member, to expand the Association to include additional residential lots in any subdivision which is contiguous to any of the Lots. Such expansion(s) may be effected from time to time by the Declarant or Declarant's assignee by recordation with the Register of Deeds of Douglas County, Nebraska, of a Declaration of Covenants, Conditions, Restrictions and Easements, executed and acknowledged by Declarant or Declarant's assignee, setting forth the identity of the additional residential lots (hereinafter the "Subsequent Phase Declaration").

Upon the recording of any Subsequent Phase Declaration which expands the residential lots included in the Association, the additional lots identified in the Subsequent Phase Declaration shall be considered to be and shall be included in the "Lots" for purposes of this Article III, and the Owners of the additional residential lots shall be Members of the Association with all rights, privileges and obligations accorded or accruing to Members of the Association.

#### ARTICLE IV. EASEMENTS

1. A perpetual license and easement is hereby reserved in favor of and granted to Omaha Public Power District, Cox Communications, CenturyLink, and any company which has been granted a franchise to provide a cable television system within the Lots, the City of Omaha, Metropolitan Utilities District, and Sanitary and Improvement District No. 562 of Douglas County, Nebraska, their successors and assigns, to erect and operate, maintain, repair and renew buried or underground sewers, water and gas mains and cables, lines or conduits and other electric and telephone utility facilities for the carrying and transmission of electric current for light, heat and power and for all telephone and telegraph and message service and for the transmission of signals and sounds of all kinds including signals provided by a cable television system and the reception on, over, through, under and across a five (5) foot wide strip of land abutting the front and the side boundary lines of the Lots; an eight (8) foot wide strip of land abutting the rear boundary lines of all interior Lots and all exterior Lots that are adjacent to presently platted and recorded Lots; and a sixteen (16) foot wide strip of land abutting the rear boundary lines of all exterior Lots that are not adjacent to presently platted and recorded Lots. The term exterior Lots is herein defined as those Lots forming the outer perimeter of the Lots. The sixteen (16) foot wide easement will be reduced to an eight (8) foot wide strip when such adjacent land is surveyed, platted and recorded. Provided, however, that such licenses and easements are granted upon the specific conditions that if any of such utility companies fail to construct such facilities along any of such Lot lines within thirty-six (36) months of the date hereof, or if any such facilities are constructed but are thereafter removed without replacement within sixty (60) days after their removal, then such easement shall automatically terminate and become void as to such unused or abandoned easementways. No permanent buildings, trees, retaining walls or loose rock walls shall be placed in the easementways, but same may be used for gardens, shrubs, landscaping and other purposes that do not then or later interfere with the aforementioned uses or rights granted herein.

2. In the event that ninety percent (90%) of all Lots within the subdivision are not improved within five (5) years after the date on which CenturyLink files notice that it has completed installation of telephone lines to the Lots in the subdivision (herein the "Subdivision Improvement Date"), then CenturyLink may impose a connection charge on each unimproved Lot in the amount of Four Hundred Fifty and no/100 Dollars (\$450.00). A Lot shall be considered as unimproved if construction of a permanent structure has not commenced on a Lot. Construction shall be considered as having commenced if a footing inspection has been requested on the Lot in question by officials of the City or other appropriate governmental authority.

Should such charge be implemented by CenturyLink and remain unpaid, then such charge may draw interest at the rate of twelve percent (12%) per annum commencing after the expiration of sixty (60) days from the time all of the following events shall have occurred: (1) the Subdivision

Improvement Date, and (2) CenturyLink sends each owner of record a written statement or billing for Four Hundred Fifty and no/100 Dollars (\$450.00) for each unimproved Lot.

3. Other easements are provided for in the final plat of Falling Waters – Phase II which is filed in the office of the Register of Deeds of Douglas County, Nebraska (Instrument No. 2015009883).

ARTICLE V.  
GENERAL PROVISIONS

1. Except for the authority and powers specifically granted to the Declarant, the Declarant or any owner of a Lot named herein shall have the right to enforce by a proceeding at law or in equity, all reservations, restrictions, conditions and covenants now or hereinafter imposed by the provisions of this Declaration either to prevent or restrain any violation or to recover damages or other dues of such violation. Failure by the Declarant or by any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

2. The covenants and restrictions of this Declaration shall run with and bind the land in perpetuity. This Declaration may be amended by Declarant, or any person, firm, corporation, partnership, or entity designated in writing by Declarant in any manner which it may determine in its full and absolute discretion for a period of ten (10) years from the date hereof. Thereafter, this Declaration may be amended by an instrument signed by the owners of not less than seventy-five percent (75%) of the Lots covered by this Declaration.

3. Declarant, or its successor or assign, may terminate its status as Declarant under this Declaration, at any time, by filing a Notice of Termination of Status as Declarant. Upon such filing, Association may appoint itself or another entity, association or individual to serve as Declarant, and such appointee shall thereafter serve as Declarant with the same authority and powers as the original Declarant.

4. Invalidation of any covenant by judgment or court order shall in no way affect any of the other provisions hereof, which shall remain in full force and effect.
