**Section 10. Subordination of the Lien to Mortgages.** The lien of the assessments provided for herein shall be subordinate to the lien of any

K

first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

**Section 11. Exterior Maintenance.** In the event an Owner of any Lot in the properties shall fail to maintain the premises and the improvements situated thereon in a manner satisfactory to the Board of Directors, the Association, after approval by two-thirds (2/3rds) vote of the Board of Directors, shall have the right, through its agents and employees, to enter upon said parcel and to repair, maintain, and restore the lot and the exterior of the buildings and any other improvements erected thereon. The cost of such exterior maintenance shall be added to and become part of the assessment to which such Lot is subject.

**Section 13. Insurance.** Homeowners are required to obtain and continue in effect a condominium unit owner's insurance policy. Such insurance must include Coverage A, Building Property. Additional insurance coverage such as personal property, loss of use, and personal liability may also be obtained by individual homeowners/unit occupants as they determine their need to be.

L

These insurance premiums are the expense of the individual homeowners/unit occupants. Any additional insurance as may be deemed necessary to protect the Association from personal liability or Association misconduct shall be a common expense of all homeowners with the premiums included in the regular common assessments.

**Section 14. Undeveloped Lots.** Lots on which no residential structure has been constructed and/or for which a certificate of occupancy has not been issued by the local governing body having such authority shall be assessed at twenty percent (20%) of the full assessment rate as set by the Board of Directors.

**Section 15. Sanitary Sewers.** It shall be the responsibility of the Association to maintain the portion of sanitary sewer which runs from the Lot to the main sewer line located in the street.

## ARTICLE V

### PARTY WALLS

**Section 1. General Rules of Law to Apply.** Each wall which is built as a part of the original construction of the homes upon the Properties and placed on the dividing line between the Lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

**Section 2. Sharing of Repair and Maintenance.** The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

m

**Section 3. Destruction by Fire or Other Casualty.** If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions. Notwithstanding the above, the provisions of Article IV, Section 13-insurance, shall be fully applicable.

**Section 4. Weatherproofing.** Notwithstanding any other provision of this article, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

**Section 6. Arbitration.** In the event of any dispute arising concerning a party wall, or under the provisions of this article, each party shall choose one arbitrator, and such arbitrators shall choose one additional arbitrator, and the decision shall be a majority of all the arbitrators.

## **ARTICLE VI**

### **ARCHITECTURAL CONTROL**

No building, fence, wall or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same

N

shall have been submitted to and approved in writing as to external design and location in relation to harmony of surrounding structures and topography by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board.
