ARTICLE IV

COVENANTS FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such

59-113D

property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Private Area Maintenance and Easement. In order to promote uniformity of maintenance and appearance, the Declarant for each Lot owned within the Properties hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree subject to the approval of the Association through its Board, that:

(a) The Association shall maintain the grounds of each and every Lot (but not the improvements thereon, defined as the original structure, driveway and any patio areas, in which case Section 11 shall be applicable);

(b) No fences or other obstructions as determined by the Board which interfere with the proper maintenance of the area shall be constructed on any lot and that any proposed construction be specifically approved in writing by the Board prior to the commencement of construction; and

(c) Declarant and/or Owner does hereby grant a perpetual easement to the Association at all times upon, over and across such grounds for maintenance purposes, including but not limited to mowing, watering, tree or shrubbery service, fertilizing, seeding and snow removal on driveways. Nothing set forth herein shall be construed to grant to the Association, the Declarant or the Owners of any other Lots the right of use and enjoyment to any Lot within the Properties save such Lot and/or Lots as may be

59-113E

owned by said Declarant or other Owners.

Section 3. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Properties and for the improvement and maintenance of the Common Area and of the homes situated upon the Properties.

Section 4. Maximum Annual Assessment. Until January 1, of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be Six Hundred Dollars (\$600.00) per Lot.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased each year not more than five percent (5%) above the maximum assessment for the previous year without a vote of the membership.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above five percent (5%) by a vote of two-thirds (2/3rd's) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 5. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of

59-113F

defraying in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two thirds (2/3rd's) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 6. Notice and Quorum for any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Rate of Assessment. Both annual and special assessments must be fixed, based on the status of each Lot. All Lots which have a Townhouse unit completed as evidenced by a certificate of occupancy issued by the local governmental authority, will be assessed the full amount as set by this declaration. Lots without a Townhouse unit or with a unit under construction, but without a certificate of occupancy, will be

59-1136

assessed at twenty percent (20%) of the full amount. The assessments may be collected on a monthly basis.

Section 8. Date of Commencement of Annual Assessments; Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the first Lot. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 9. Effect of Nonpayment of Assessments; Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the maximum legal rate allowance in the State of Nebraska. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

59-113H

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 11. Exterior Maintenance. In the event an Owner of any Lot in the Properties shall fail to maintain the premises and the improvements situated thereon in a manner satisfactory to the Board of Directors, the Association, after approval by two-thirds (2/3rd's) vote of the Board of Directors, shall have the right, through its agents and employees, to enter upon said parcel and to repair, maintain, and restore the Lot and the exterior of the buildings and any other improvements erected thereon. The cost of such exterior maintenance shall be added to and become part of the assessment to which such Lot is subject.

Section 12. Painting. Notwithstanding Section 11, which places the primary responsibility for exterior maintenance upon the individual owner, all exterior surfaces of the units connected by party walls shall be uniformly painted the same colors by the Association and there shall be no exterior painting of any individual unit by any owner.

Section 13. Insurance. The Association, through the Board of Directors, shall obtain and continue in effect, on behalf of all Owners, adequate blanket casualty and fire insurance in such

59-113 I

form as the Board of Directors deems appropriate in an amount equal to full replacement value, without deduction for depreciation or coinsurance, of all dwelling units, including the structural portions and fixtures thereof, owned by such Owners. Such insurance shall exclude the Owners' general personal property which shall be the Owners' responsibility to have insured. Insurance premiums for any such blanket policy coverage and any other insurance premiums provided by the Association as provided below shall be a common expense of the Association to be included in the regular common assessments of the Owners as levied by the Association. The insurance coverage with respect to the dwelling units shall be written in the name of, and the proceeds thereof shall be payable to, the Association as trustee for the Homeowners. Furthermore, in the event any damage is caused by fire or any other covered peril, the Association shall repair or replace the same from the insurance proceeds paid under the provisions of the blanket policy. The Association shall in addition to the above provide liability insurance for the Association and its members with respect to any Common Area only, liability insurance associated with the owned units being the responsibility of each individual Owner. All insurance policies shall be reviewed at least annually by the Board of Directors in order to ascertain whether the coverage contained in the policies is sufficient to make any necessary repairs or replacement of the property which may have been damaged or destroyed.

Section 14. Undeveloped Lots. Lots on which no residential structure has been constructed and/or for which a certificate of occupancy has not been issued by the local governing body having such authority shall be assessed at twenty percent (20%) of the full assessment rate as set by the Board of Directors.

59-113 ✓

Section 15. Sanitary Sewers. It shall be the responsibility of the Association to maintain the portion of sanitary sewer which runs from the Lot to the main sewer line located in the street.

ARTICLE V

PARTY WALLS

Section 1. General Rules of Law to Apply. Each wall which is built as a part of the original construction of the homes upon the Properties and placed on the dividing line between the Lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

Section 3. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions. Notwithstanding the above, the provisions of Article IV, Section 13-Insurance, shall be fully applicable.

Section 4. Weatherproofing. Notwithstanding any other provision of this article, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements

59-113*

shall bear the whole cost of furnishing the necessary protection against such elements.

Section 5. Right to Contribution Runs With the Land. The right of any Owner to contribution from any other Owner under this article shall be appurtenant to the land and shall pass to such Owner's successors in title.

Section 6. Arbitration. In the event of any dispute arising concerning a party wall, or under the provisions of this article, each party shall choose one arbitrator, and such arbitrators shall choose one additional arbitrator, and the decision shall be a majority of all the arbitrators.

ARTICLE VI

ARCHITECTURAL CONTROL

No building, fence, wall or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board. In the event said Board, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this article will be deemed to have been

59-113 L

fully complied with.

ARTICLE VII

RESTRICTIONS, EASEMENTS AND MISCELLANEOUS PROVISIONS

Section 1. Restrictions. Every Owner shall have full rights of ownership and enjoyment to his individual Lot, subject to the following restrictions:

(a) No noxious or offensive trade or activity shall be carried upon any Lot, nor shall anything be done thereon which may become an annoyance or nuisance to the neighborhood. No outside above-ground trash or garbage piles, burners, receptacles or incinerators shall be erected, placed or permitted on any building plot. ARTICLE VIII

GENERAL PROVISIONS

Section 1. Enforcement. The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by an Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgement or court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 3. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty (20) years from the date this Declaration is recorded,

59-113 A

after which time they shall be automatically extended for successive periods of ten (10) years.
