TO HAVE AND HOLD UNTO SAID VILLAGE, and any public or private utility company, their successors and assigns, together with the right of ingress and egress from said premises for the purpose of constructing, inspecting, maintaining or operating, or repairing said utility at the will of the City, and any public or private utility company, their successors and assigns. The Grantor may, following construction of said utility, continue to use the surface of the easement strip conveyed hereby for other purposes, including street and road purposes, subject to the right of the Village and any public or private utility company, their successors and assigns to use the same for the purposes expressed.

IT IS FURTHER AGREED AS FOLLOWS:

1. That no buildings, improvements, or other structures, shall be placed in, on, over, or across said easement strip by Grantor, her successors and assigns, without the express approval by the Village and any public or private utility company, their successors and assigns. Grantor may use the surface for street and roadway purposes. Improvements, which may be approved by the Village, and any public or private utility company, their successors and assigns, include landscaping. These improvements and any trees, grass or shrubbery placed on said easement shall be maintained by Grantor, her heirs, successors or assigns; however, damage to, or loss of, such landscaping will not be compensated by the Village and any public or private utility company, their successors and assigns when exercising its rights of inspecting, maintaining or operating said utility line. The Village shall reimburse Grantor for any crop lost for a period of two years after construction and for a period of two years after any major maintenance to the easement area.
2. That the Village and any public or private utility company, their successors and assigns may construct, maintain, operate or repair said utility line within the permanent easement area described above. That the Village and any public or private utility company, their successors and assigns shall not utilize the private lane adjacent to the easement property and shall not place any equipment on said private lane.
3. This easement is also for the benefit of any contractor, agent, employee, or representative of the Village and any public or private utility company, their successors and assigns in any of said construction and work.
4. That Grantor for herself and her heirs, personal representatives, executors and administrators do confirm with the said Village and any public or private utility company, their successors and assigns, that she, the Grantor is well seized in fee of the above-described property and she has the right to grant and convey this easement in the manner and form aforesaid, and that her, heirs, personal representatives, executors and administrators, shall warrant and defend this easement to said Village and any public or private utility company, their successors and assigns against the lawful claims and demands of all persons. This easement is permanent and runs with the land.

IN WITNESS WHEREOF, this Easement has been executed by Grantor on the 21 day of Sept, 2005.
