RECITALS

STONE CREEK, DISTRICT, and CITY entered into a subdivision agreement (the "Original Subdivision Agreement") dated December 6, 2016 with respect to Lots 1 through 80, inclusive, and Outlots A through F (collectively, "Phase 1") of the phased development to be known, inclusive of all phases, as Granite Falls North ("Granite Falls North"); and

STONE CREEK, DISTRICT, and CITY entered into the First Amendment to incorporate Lots 81 through 179, inclusive, and Outlots G through K, inclusive (collectively, "Phase 2"); and

STONE CREEK, DISTRICT, and CITY entered into the Second Amendment to modify the Parties agreement on the manner and extent to which public funds would be expended in connection with the Public Improvements serving Phase 1 and Phase 2 of the Development Area; and

STONE CREEK, DISTRICT, and CITY entered into the Third Amendment to further modify the Parties agreement on the manner and extent to which public funds would be expended in connection with the Public Improvements serving Phase 1 and Phase 2 of the Development Area due to the realignment of the outfall sewer to allow service for future phases of Granite Falls North; and

STONE CREEK, DISTRICT, and CITY entered into the Fourth Amendment to incorporate Lots 180 through 292, inclusive, and Outlots L through T, inclusive, (collectively, "Phase 3") provided that such Fourth Amendment would become effective upon STONE CREEK acquiring fee simple title to Phase 3; and

STONE CREEK subsequently did not acquire fee simple title to Phase 3 as contemplated in the Fourth Amendment so the Final Plat for Phase 3 approved by the Papillion City Council via Resolution No. R19-0075 expired and the Fourth Amendment did not become effective; and

STONE CREEK, DISTRICT, CITY, RICHLAND, WOODLAND, and P-MRNRD entered into the Fifth Amendment to incorporate the reconfigured third phase of Granite Falls North into the Agreement; and

STONE CREEK, DISTRICT, CITY, RICHLAND, and WOODLAND entered into the Sixth Amendment to replace Exhibit F-5 with Exhibit F-6 to update the contract price units and quantities for certain Public Improvements related to Phase 3 and eliminate a duplicated cost for the Magellan gas main relocation; and

RICHLAND is the owner of the parcels of land to be platted as the fourth phase of Granite Falls North, as described in page 6 of Exhibit "A-4" attached hereto, which fourth phase is anticipated to be comprised of Lots 180 through 289, inclusive, and Outlots L through Q, inclusive, and Outlot S ("Phase 4"). All such parcels of land are within CITY's zoning and platting jurisdiction; and

DEVELOPER has requested CITY to approve a specific platting of Phase 4, as depicted in the Final Plat exhibit attached hereto as page 4 of Exhibit "B-4", and incorporate Phase 4 into the Development Area; and

The Parties also desire to modify the Agreement to incorporate Phase 4 and all corresponding terms and conditions; and

DEVELOPER wishes to connect the sewer and water systems to be constructed by DISTRICT within Phase 4 with the sewer and water systems of CITY; and

DEVELOPER, DISTRICT, and CITY wish to agree upon the manner and the extent to which public funds may be expended in connection with the Public Improvements serving the Development Area and the extent to which the contemplated Public Improvements shall specifically benefit property in the Development Area and adjacent thereto and to what extent the Cost of the same shall be specially assessed; and

DEVELOPER, DISTRICT, CITY, and P-MRNRD agreed, as a term of the Fifth Amendment, that the execution of any modifications or amendments to the Subdivision Agreement would not require P-MRNRD's signature *unless* said modifications or amendments include development Costs or Public Improvements or Private Improvements which relate directly to Outlots W, CC or DD. Given that the modifications and amendments proposed in this Seventh Amendment do not include development Costs or Public Improvements or Private Improvements which relate directly to Outlot Outlots W, CC or DD, DEVELOPER, DISTRICT, and CITY acknowledge that P-MRNRD's signature is not required to validly execute this Seventh Amendment.
