COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Properties, hereby covenants and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association:

- (1) Annual assessments or charges; and
- (2) Special assessments for capital improvements, such assessments to be established and collected as hereinafter provided.

The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Properties and for the improvement and maintenance of the Common Area and recreational facilities.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall initially be determined by the Declarant.

- (a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the annual assessment may be increased by not more than the greater of either: 1) Five percent (5%); or 2) the percentage rise in the Consumer Price Index

(published by the Department of Labor, Washington, D.C.) for the preceding October over the prior year's October, without a vote of the membership.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the annual assessment may be increased above said percentage (Paragraph (a) above) by a vote of two-thirds (2/3) of each group of members who are voting by person or proxy at a meeting duly called for this purpose.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto; PROVIDED THAT, any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments, with respect to all improved Lots, shall be uniform in amount. In recognition of the fact that a substantial portion of the budget for the Working Fund for maintenance will be attributable to upkeep, maintenance and security upon improved lots as opposed to unimproved lots, the regular assessment for each unimproved lot will be equal to the equivalent of twenty-five percent (25%) of the regular assessment due for each improved lot. Said assessment may be collected on a monthly basis.

Section 7. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of each month following the conveyance of the Common Area. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be

established by the Board of Directors, The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 8. Effect of Non-Payment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of twelve percent (12%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 10. Insurance. The Association shall procure and maintain property insurance including hazard, fire and extended coverage, as well as liability insurance without prejudice to the right of each Owner to insure himself. Such insurance policies shall be written, and the proceeds thereof payable to the Association, as trustee for the Owners, mortgagees of record, Board, employees, and Managing Agent, if any. Such policies of insurance should contain, if possible, a standard anti-subrogation clause against individual Owners. The premiums for such insurance shall be a Common Area expense.

Each Owner shall be responsible for obtaining his own insurance on the improvements and betterments to his building and on the contents thereof, as well as his decorations, furnishings and personal property therein and any personal property stored elsewhere on the Property. In addition, in the event an Owner desires to insure against his personal liability and loss or damage by fire or other hazards above and beyond the extent that this liability, loss or damage is covered by the liability insurance and insurance against loss or damage by fire and such other hazards obtained by the Association as above provided, said Owner may, at his option and expense, obtain additional insurance.

ARTICLE V

EXTERIOR MAINTENANCE

In addition to maintenance upon the Common Area, the Association shall provide exterior maintenance upon each Lot which is subject to assessment hereunder, as follows:

paint, repair, replacement and care of roofs, gutters, downspouts, exterior building surfaces, trees, shrubs, grass, walks, and other exterior improvements. Such exterior maintenance shall not include glass surfaces.

In the event that the need for maintenance or repair of a Lot or the improvements thereon is caused through the willful or negligent acts of its Owner, or through the willful or negligent acts of the family, guests or invitees of the Owner of the Lot needing such maintenance or repair, the cost of such exterior maintenance shall be added to and become part of the assessment to which such Lot is subject.

ARTICLE VI

ARCHITECTURAL CONTROL

After the construction of the original structure on each Lot, no building, fence, wall or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board. In the event said Board, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with.

ARTICLE VII

PARTY WALLS

Section 2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

Section 3. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 4. Weatherproofing. Notwithstanding any other provision of this Article, an Owner who by his negligent or willfully act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 5. Right to Contribution Runs with Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the Land and shall pass to such Owner's successors in title.

Section 6. Arbitration. In the event of any dispute arising concerning a party wall, or under the provisions of this Article, each party shall choose one arbitrator, and such arbitrators shall choose one additional arbitrator, and the decisions shall be by a majority of all the arbitrators.
