NOTICE OF ELECTRIC SERVICE CONNECTION CHARGES

RE: LOTS 1 THROUGH 18 AND LOTS 24 THROUGH 30
HALFORD'S CHERRY HILLS ADDITION, WASHINGTON COUNTY, NEBRASKA

The Omaha Public Power District (OPPD) has installed an underground electrical distribution system capable of serving residences to be constructed in Halford's Cherry Hills Addition (Lots 1 through 18 and 24 through 30) in Washington County, Nebraska. Upon application to OPPD for electrical service to each Lot, the following Electric Service Connection Charge shall be charged by OPPD to the applicant.

A. Applicable to each of Lots 1 through 18:

- (1) A one-time charge, payable in advance, for installation of the underground electrical distribution system in the amount of \$2,200.00; and
- (2) A one-time charge for an underground electric service line extension to the residence in an amount calculated in accordance with OPPD's then current Service Regulations and policies, which amount may be paid in advance or paid by a monthly assessment of a minimum billing charge for electrical service.
- (3) In the event only, that at the time of application for electrical service, applicant can demonstrate that the residence shall have total electric space heating and water heating, all charges provided for in A(1) and (2) hereof shall be waived by OPPD.

B. Applicable to each of Lots 24 through 30:

- (a) If the electric service line extension is requested by the applicant to be placed underground:
 - (1) A one-time charge, payable in advance, for installation of the underground electric service line extension to the residence in the amount of \$350.00.
 - (2) In the event only, that at the time of application for electrical service, applicant can demonstrate that the residence shall have total electric space heating and water heating, all charges provided for in B(a)(1) hereof shall be waived by OPPD.
- (b) If the electric service line extension is requested by the applicant to be placed overhead:
 - (1) No Charge.
