- B. Heritage is the owner of certain real property that is adjacent to the East O Property and legally described on Exhibit B which is attached hereto and incorporated herein (the "Heritage Property").
- C. East O and Heritage desire to establish certain rights and obligations with respect to these properties, subject to the terms and conditions hereof.

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agree as follows:

1. Detention Area Easement. East O does hereby GRANT, BARGAIN, SELL AND CONVEY to Heritage, its successors and assigns, a perpetual non-exclusive easement for water detention (as hereinafter defined) on, over and across those portions the East O Property legally described on Exhibit C and depicted on Exhibit D, which Exhibits are attached hereto and incorporated herein (the "Easement Areas"), for the use and benefit, in common with others, of the owners of the Heritage Property and their successors and assigns including any homeowners association (the "Easement"). Grantor shall specifically exclude and prohibit in the Easement Areas (a) any improvement that may obstruct or interfere with water detention and (b) any change of existing grade (other than grade changes to create and maintain the water detention areas).

1.1 Maintenance Obligations. East O, by itself or through its tenant, agrees to mow and to perform other normal golf course maintenance in the Easement Areas. Heritage agrees to fix and repair any damage, including without limitation water damage, caused to the Easement Areas as a result of a defective design of the water detention cells or defective control structures or outlets. Heritage further agrees to perform routine maintenance to the Easement Areas necessary to allow such areas to function as water detention cells. Heritage agrees construct the control structure(s) and outlets in the Easement Areas in accordance with the specifications set forth in Exhibit E and to maintain such structures and outlets in good condition. Heritage agrees to repair any damage to the Easement Areas as a result of constructing the control structure(s) and outlet, shall ensure that upon completion of the control structure(s) and outlet work that the Easement Area and any surrounding East O Property is in substantially the same condition as before the work (excluding any repair activities related to reestablishing turf on the Easement Area and surrounding East O Property, which is not Heritage's responsibility), and shall only perform such work at times and in a manner to minimize disruptions to golf course activities.

1.2. Access. East O grants Heritage the temporary right to enter the East O Property for the limited purposes of completing its obligations under this Agreement including, without limitation, (a) removing the fence between the East O Property and Heritage Property, (b) performing the initial clean-up of tree/bush/shrub area along the south side of hole number 1 of the Hillcrest Golf Course; provided, however, the removal, trimming and pruning of any plant material shall be mutually approved by Heritage and Hillcrest Country Club, (c) removing the below grade tanks and connecting the city sewer system as contemplated by Section 3 below and (d) constructing and maintaining the detention cells, control structure(s) and outlets in the Easement Areas. Heritage agrees to repair any damage to East O Property in performing such work, shall ensure that upon completion of such work that the East O Property is in substantially the same condition as before the work (excluding any repair activities related to reestablishing turf on the East O Property, which is not Heritage's responsibility), and shall only perform such work at times and in a manner to minimize disruptions to golf course activities.

1.3 No Public Dedication. It is mutually agreed that the Easement is not intended and shall not be construed as a dedication of the property covered thereby for public use, and the parties hereto hereby agree to refrain from and take whatever steps may be necessary to avoid such dedication.

2. Payment, Annexation & Platting. Contemporaneously with the execution of this Agreement, Heritage agrees to pay East O Fifty Seven Thousand Two Hundred Forty Dollars (\$57,240.00) (the "Payment"). Upon Payment, this Agreement may be recorded with the Lancaster County, Nebraska Register of Deeds. East O may join the annexation petition of Heritage and shall only be responsible for its legal fees and expenses and any applicable cost, charge or expense imposed on East O by the City of Lincoln with respect to annexation such East O Property (specifically excluding any cost and expense involving the extension of city water and sanitary sewer contemplated by Section 3 below and any costs and expenses for any other improvements required by the City of Lincoln and identified in the annexation agreement).

East O waives any object to the annexation involving the Heritage Property and any plat thereof. The parties agree that any utility easement required by such annexation or plat along the common boundary line located on the south side of the East O Property and the north side of the Heritage Property shall be split evenly on each side of such common boundary line. East O agrees to provide reasonable documentation and approvals as may be necessary to add the designated portion of the East O Property to Heritage's application for annexation to the City of Lincoln.

3. Sanitary Sewer & Water.

3.1 Removal. Following execution of this Agreement, Heritage, at its sole cost and expense, agrees to remove and abandon the sewer system extending from the south lot line of the East O Property into the Heritage Property. Upon abandonment of sewer system extending into the Heritage Property, Heritage agrees to periodically remove, as necessary, excess fluid from below grade sewer tanks located near the practice putting green adjacent to hole number 1 until the East O is connected to city sewer system as contemplated by Section 3.2 hereof; provided, however, Heritage shall not have any responsibility for the periodic removal, as necessary, of sludge from such tanks. Until the East O is connected to city sewer system as contemplated by Section 3.2 hereof, East O agrees to utilize and maintain the existing sanitary disposal system (the "Existing East O System"). Heritage agrees to repair any damage to East O Property in removing excess fluid from the below grade sewer tanks, shall ensure that upon completion of such work that the East O Property is in substantially the same condition as before the work (excluding any repair activities related to reestablishing turf on the East O Property, which is not Heritage's responsibility), and shall only perform such work at times and in a manner to minimize disruptions to golf course activities.

3.2 Extension and Connection. Following annexation of the Heritage Property and that portion of the East O Property designated by East O, Heritage, at its sole cost and expense, agrees (a) to extend and connect the City of Lincoln's sanitary sewer system from the Heritage Property to the current outfall line of the East O sewer system located near the practice putting green adjacent to hole number 1 and (b) to extend the city water line from the Heritage Property to south lot line of the East O Property, after such utility services has been extended, and are available for service, to the Heritage Property. After connection of the city sanitary sewer to the outfall line is completed, Heritage, at its sole cost and expense, agrees to remove the below grade tanks near the practice putting green adjacent to hole number 1 in accordance with applicable law including proper abandonment or removal of the tank(s) in accordance with Title 124 of the Nebraska Department of Environmental Quality regulations, back fill with suitable and appropriate clean backfill material, ensure that backfill material is property compacted and the area is graded consistent with the grade prior to the work, , and to disconnect the Existing East O System and East O authorizes and approves of such actions. Heritage agrees to repair any damage to East O Property in removing the below grade tanks, shall ensure that upon completion of such work that the East O Property is in substantially the same condition as before the work (excluding any repair activities related to reestablishing turf on the East O Property, which is not Heritage's responsibility), and shall only perform such work at times and in a manner to minimize disruptions to golf course activities.

3.3 Easement Termination. Except for the "94th Street Easement" (defined in Section 4 hereof), East O agrees that any and all rights, easements and restrictions in favor of, or benefitting, the East O Property on the Heritage Property including, but not limited to, any right to use any sewage system on, and the any right to enter upon, the Heritage Property pursuant to, or arising out of that certain: (i) Sheriff's Deed recorded with the Lancaster County, Nebraska Register of Deeds in Book 309, page 602, (ii) Sheriff's Deed recorded with the Lancaster County, Nebraska Register of Deeds in Book 309, page 604; (iii) Consent Decree of the District Court of Lancaster County, Nebraska, dated February 11, 1975, in the proceeding entitled East "O" Realty Company vs. Kenneth C. Schweitzer et al, in Docket 287, Page 38 and recorded with the Lancaster County, Nebraska Register of Deeds as Instrument No. 75-1675 or (iv) Subdivision recorded with the Lancaster County, Nebraska Register of Deeds in Book 6, page 16 are hereby terminated and shall have no further force or effect whatsoever.

4. South 94th Street. From and after the recording of a final plat applicable to the Heritage Property, the parties acknowledge that the roadway located within that certain easement recorded with the Lancaster County, Nebraska Register of Deeds in Book 44, page 461 (the "94 Street Easement") will be reconfigured in accordance with such plat and may be temporarily closed during construction of such street improvements. Heritage, at its expense, shall construct all of the improvements to 94th Street that may be required by the City of Lincoln in connection with the platting of the Heritage Property. East O hereby waives any claim against Heritage related to such reconfiguration and temporary closure so long as after such construction is completed, the East O and its tenant and their invitees have access between the East O Property and A Street. East O represents and warrants to Heritage that East O is the beneficiary of the 94 Street Easement and agrees to cooperate with Heritage with respect to (a) the replatting of the Heritage Property, (b) the dedication of all or a portion of the roadway located within the 94th Street Easement to the public and (c) the acceptance of the maintenance of such roadway by the City of Lincoln. East O and Heritage further agree that with respect to any portion of the roadway that is dedicated to the public, the corresponding portion of the 94th Street Easement shall automatically terminate and shall have no further force of effect whatsoever.

5. Abandon Roadways. The Heritage Property is subject to (a) that certain easement for roadway as set forth in the Sheriff's Deed, recorded on April 7, 1939, in Book 309, Page 602 of the Lancaster County, Nebraska Register of Deeds and Sheriff's Deed, recorded on April 11, 1939, in Book 309, Page 604 of the Lancaster County, Nebraska Register of Deeds (the "1939 Roadway Easement") and (b) that certain easement for roadway as set forth in the Conveyance of Easement, recorded on April 1, 1942, in Book 21, Page 643 of the Lancaster County, Nebraska Register of Deeds (the "1942 Roadway Easement"). The 1939 Roadway Easement and the 1942 Roadway Easement each contain a provision that if such easements are not exercised by the owner of Lot A (which lot the parties hereby acknowledge is the East O Property) at any time for a period of three years, then such easements shall thereupon be wholly cancelled and annulled at the end of said period. East O as the owner of Lot A (also known herein as the East O Property) hereby acknowledges and agrees that (x) the 1939 Roadway Easement and the 1942 Roadway Easement have not exercised and not been used as a roadway for over three (3) years, and (y), as a result, 1939 Roadway Easement and the 1942 Roadway Easement have been cancelled and annulled.

6. Golf Course.

6.1 Ownership and Use. The real property and improvements constituting the Hillcrest Golf Course (the "Golf Course") located on the East O Property are currently being operated by Hillcrest Country Club. East O makes no representations or warranties regarding the continuing ownership or operation of the Golf Course. The ownership and operation style of the Golf Course may change at any time without the consent of any owner of the Heritage Property. By acceptance of a deed, each owner of any part of the Heritage Property acknowledges that such owner has no right, title or interest in the Golf Course or right to become a member thereof or any special use rights or fees related to the use of the Golf Course by virtue of being an owner, except as set forth in the Easement. The Golf Course is a private golf course available for use by the members of Hillcrest Country Club.

6.2 Risks Related to Proximity. Each owner of any portion of the Heritage Property, by acceptance of a deed or other conveyance of any portion of the Heritage Property, acknowledges that the proximity of the Golf Course or its facilities to surrounding properties may result in certain foreseeable risks, including the risk of property damage or injury to persons from errant golf balls and other activities inherent to the activities of a golf course (including, but not limited to, windows, stucco, roofing, decking and patio furnishings), which risks are assumed by such owner, and will cause owners to encounter typical Golf Course maintenance activities, including water and/or fertilizer overspray, mowing or other vehicle noise, and that each owner's use and enjoyment of any portion of the Heritage Property may be limited as a result, and that East O and its tenant shall have no obligation to take steps to remove or alleviate such risks or activities, nor shall they have any liability to any owner of any portion of the Heritage Property, or their guests or invitees, for damage or injury resulting from errant golf balls being hit upon the Heritage Property or from any water or fertilizer overspray upon the Heritage Property. East O and its tenant shall have no liability to any owner of any portion of the Heritage Property for any golfer trespass.

6.3 Request for Removal. Any owner of any portion of the Heritage Property that is adjacent to the Golf Course may submit a written request to the owner of the East O Property to remove any tree, branch or other vegetation located on the Golf Course. The owner of the East O Property shall not unreasonably withhold its consent to such request for removal of trees or other vegetation. If approved, the removal of such tree, branch or other vegetation may be performed, at the sole cost and expense of the owner who submitted the request therefore.

6.4 Access Path. East O hereby grants access to the East O Property for Heritage to construct, and the subsequent owners of the Heritage Property for the right to use, and Heritage may construct at its sole cost and expense the uncompleted portion of, a 10-foot wide pedestrian/golf cart access path between the Heritage Property and the clubhouse of the Hillcrest Country Club at the location designated on Exhibit F attached hereto.

7. Right to Perform in Event of Default. In the event that East O or Heritage defaults in its obligations under this Agreement (the "Defaulting Party"), then the other party, provided that party is not also in default (the "Non-Defaulting Party") shall have, and is hereby granted the option to enter upon the Defaulting Party's property to cure such default; provided, however, that the Defaulting Party shall have fifteen (15) days after written notice of such default from the Non-Defaulting Party within which to cure the default or if such default cannot be cured with reasonable diligence within such fifteen (15) day period, then no default shall exist until Defaulting Party fails to commence to cure such default within fifteen (15) days after notice from the Non-Defaulting Party or fails to proceed diligently to cure such default within a reasonable time period thereafter. In the event that the Non-Defaulting Party exercises such option to cure such default and does in fact cure such default, the Defaulting Party shall reimburse the Non-Defaulting Party for all costs and expenses incurred by the Non-Defaulting Party in curing the default plus interest on such costs and expenses at the lower of the highest rate of interest permitted by applicable law or twelve percent (12%) per annum from the date such costs and expenses were incurred until such costs and expenses are paid.

8. Condemnation. In the event of an eminent domain taking of all or any portion of the East O Property or the Heritage Property, the eminent domain award made with respect to such property shall belong solely to the owner of such property so taken or such owner's mortgagee. Notwithstanding the foregoing, however, any owner may assert a claim for damages to its property (even though no portion thereof is taken) by reason of the eminent domain taking of the whole or any portion of the other property, to the extent that such damages may be awarded or paid by the taking authority in recognition of the reduced or lost access, property value, right or benefit arising under this Agreement or similar consequences. The term "eminent domain taking" includes a voluntary conveyance made under threat of or in anticipation of an involuntary eminent domain taking.

9. Notices. All notices, demands and requests which may be given or which are required to be given by either party to the other shall be in writing and shall be deemed effective when personally delivered to the address of the party to receive such notice set forth below or the third business day after deposited in any post office or mail receptacle regularly maintained by the United States Government, certified or registered mail, return receipt requested, postage prepaid, addressed as follows:

At such time as any party hereto conveys its fee interest in the East O Property or Heritage Property, then such party shall have no further liability hereunder for the covenants and obligations herein set forth accruing after the date of such conveyance, such covenants and obligations being enforceable only by and against the then current owners of the East O Property and Heritage Property or by an association related thereto.

11. Entire Agreement. 12. Modification. Any modification of this Agreement shall be binding only if evidenced in writing and signed by each party or its assignee or an authorized representative of each party who owns the property affected by the modification including, not limited to, an association of such property owners if Heritage or East O assigns its rights and obligations under this Agreement to an association.
