A Lot shall be considered as unimproved if construction of a permanent structure has not commenced on that Lot. Construction shall be considered as having commenced if a footing inspection has been made on the Lot in question by officials of the City of Bellevue or other appropriate governmental authority.

B. Each development phase shall be considered separately in determining whether ninety percent (90%) of the lots within that phase have been improved within the Five (5) Year Term. In determining the date Qwest Communications or its successors shall have completed the installation of its distribution system, each development phase shall also be considered separately.

C. Such charge shall be due and owing immediately upon the expiration of the Five Year Term, and if such charge is not paid within sixty (60) days after the sending of written notice by Qwest Communications or its successors to the owner of an unimproved Lot that such charge is due, then such charge will begin drawing interest commencing upon the expiration of the sixty (60) day period at the rate of twelve percent (12%) per annum, or the maximum rate allowed by law at which individuals may contract if said maximum rate is less than twelve percent (12%) per annum at the time.

The Covenants and restrictions of this Declaration shall run with and bind the land for a term of twenty-five (25) years from the date this Declaration is recorded. This Declaration may be amended by the Declarant, or any person, firm, corporation, partnership, or entity designated in writing by the Declarant, in any manner it shall determine in its full and absolute discretion for a period of five (5) years from the date hereof.
