Section 1. Every Owner of a Lot which is subject to assessment shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment. A member shall be entitled to one vote for each Lot owned.

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be continuing lien upon the property against which each such assessment is made which may be foreclosed as a construction lien. All subsequent purchasers shall take title subject to said lien and shall be bound to inquire of the Association as to the amount of unpaid assessments. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall be binding on the successors in title.

No Owner may make deductions or offsets against the said assessments for any claim against the Association; such claims must be assessed against the Association by independent, affirmative actions.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the improvement and maintenance, including snow removal, of Kameo Drive, premiums for insurance expenses, for management of the Association, including legal and accounting fees, and any expense necessary or incidental to the foregoing. The Association may contract for the performance by a third party of the foregoing.

Section 3. Annual Assessment. The initial annual assessment for each Lot shall be One Hundred Fifty Dollars (\$150.00) per Lot, commencing on May 1, 1996.

- (a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the annual assessment may be increased each year by not more than five percent (5%) above the assessment for the previous year without a vote of the membership.
- (b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the annual assessment may be increased above five percent (5%) by a vote of two-thirds (2/3rds) of the members who are voting in person or by proxy, at a meeting duly called for this purpose.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of reconstruction or replacement of Kameo Drive, provided that any such assessment shall have the assent of two-thirds (2/3rds) of the votes of members of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for Any Action Authorized Under Section 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be delivered either personally or by mail to all members not less than 10 days and not more than 50 days in advance of the meeting. At any meeting called, the presence of members or of proxies entitled to cast twenty percent (20%) of all the votes shall constitute a quorum.

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis.

Section 7. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the first meeting of the members of the Association. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least fourteen (14) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner

subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of sixteen (16%) percent per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property in proceedings in the nature of a construction lien foreclosure. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of Kameo Drive or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages/Deeds of Trust. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessment as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot Owner from liability for any assessments thereafter becoming due or from the lien thereof.

ARTICLE V

INSURANCE

Section 1. Casualty Insurance. The Association may obtain insurance against such hazards and casualties as the Association may deem desirable. Premiums for all insurance carried by the Association shall be paid from the annual assessments.

Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 3. Amendment. These Covenants, Conditions and Restrictions of this Declaration shall run with, bind the land, and shall inure to the benefit of and be enforceable by the Association, or the Owner of any property subject to this Declaration, their respective legal representatives, heirs, successors and assigns, for a term of thirty (30) years from the date these Covenants, Conditions and Restrictions are recorded, after which time said Covenants, Conditions and Restrictions shall automatically renew for successive periods ten (10) years each, unless an instrument terminating this Declaration signed by the then Owners of a majority of the Lots has been recorded prior to the commencement of such ten (10) year period agreeing to change said Covenants, Conditions, and Restrictions in whole or in part.
