

These Covenants are to run with the land and shall be binding on all present and future owners of all or any part of the following described real estate until January 1, 1995:

All lots in Blocks 1 through 20, both inclusive, in Leawood West, a subdivision in Douglas County, Nebraska.

If the present or future owners of any of said lots, or their grantees, heirs, or assigns, shall violate or attempt to violate any of these Covenants, it shall be lawful for any other person or persons owning any part of said real estate to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such Covenant and either to prevent him or them so doing or to recover damages or other dues for such violation.

Invalidation of any of these Covenants by judgment or court order shall in no way affect any of the other provisions, which shall remain in full force and effect.

A. said lots shall be used only for single-family residential purposes except such lots, or portions thereof, as may hereafter be conveyed or dedicated by the owners thereof for church, educational, charitable or public non-profit recreational purposes.

B. No structures shall be erected, altered, placed or permitted to remain on any residential building plot, as herein-after defined, other than one detached single-family dwelling not to exceed two and one-half stories in height, a private garage, attached breezeways and other outbuildings incidental to residential uses.

C. No residential structure shall be erected or placed on any building plot which has an area of less than ten thousand square feet, and such a plot of said minimum dimensions when used for residential purposes is herein defined as a "residential building plot." Except as hereinafter provided, no building shall be located on any "residential building plot" nearer than forty feet to the front lot line, nor shall any building, except a detached garage, be located nearer than ten feet to any side line of any building plot; provided however, that if the Board of Appeals of the City of Omaha, Nebraska, shall by resolution permit a lesser minimum setback, lot area or side yard for any building plot, then as to such plot the determination of said Board shall govern and shall automatically supersede these Covenants.

D. No noxious or offensive trade or activity shall be carried on upon any plot nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood. No outside radio, television or other electronic antenna or aerial shall be erected on any building plot without written consent of Morrison Bros., Inc., a Nebraska corporation. No outside above-ground trash or garbage piles, burners, receptacles or incinerators shall be erected, placed or permitted on any building plot. All fuel tanks must be buried beneath ground level. The maximum height of any fencing extending in front of the residential structure shall be 2 feet 6 inches.

E. No trailer, basement, tent, shack, garage, barn or other outbuilding erected on said real estate shall at any time be used as a residence temporarily or permanently, nor shall any structure of a temporary character be used as a residence.

F. The exposed front foundation wall (and also the wall facing the side street on corner lots) of all main residential structures must be constructed of or faced with brick or simulated brick or stone or stucco. All exposed side and rear concrete block or masonry foundation walls must be painted. All driveways must be constructed of concrete, brick, asphalt or laid stone. No driveways will be permitted to open onto 132nd Street.

G. A perpetual license and easement is hereby reserved in favor of and granted to Omaha Public Power District and Northwestern Bell Telephone Company, their successors and assigns, to erect and operate, maintain, repair and renew poles with the necessary supports, sustaining wires, cross-arms, guys and anchors and other instrumentalities and to extend thereon wires for the carrying

and transmission of electric current for light, heat and power and for all telephone and telegraph and message services over, under and upon a five (5) foot strip of land adjoining the rear and side boundary lines of said lots in said Addition; provided however, that said lot line easement is granted upon the specific condition that if both of said utility companies fail to construct poles and wires along any of said side lot lines within thirty-six (36) months of date hereof or if any poles or wires are constructed but are thereafter removed without replacement within sixty (60) days after their removal, then this side line easement shall automatically terminate and become void as to such unused or abandoned easementways.

H. Portland concrete public sidewalks, four feet wide by four inches thick, shall be constructed in front of each built-upon lot and along the street side of each built-upon corner lot, with the outside sidewalk edge to be located five feet back of street curb line. Such sidewalk shall be constructed by the then owner at time of completion of the main residential structure.

I. The finished enclosed living area of the main residential structure shall at least equal the following minimums:

(1) For one-story ranch style or for split-level styles: 1400 square feet plus two-car attached garage or 1500 square feet plus two-car detached or basement garage.

(2) For two-story style: 1000 square feet on first floor plus 1000 square feet on second floor plus two-car garage.

(3) For one-and-one-half story style: 1300 square feet on first floor with entire upstairs finished (except for area over an attached garage) plus a two-car attached garage, or 1500 square feet (with entire upstairs finished) plus two-car basement or detached garage.

IN WITNESS WHEREOF, the undersigned, being the owner of all said real estate, has executed these Covenants this 26th day of October 1964.
