

PROTECTIVE COVENANTS

These Covenants are to run with the land and shall be binding on all present and future owners of all or any part of the following described real estate until January 1, 1984:

All lots in Blocks One (1) through Nine (9), both inclusive, in Leawood, a subdivision in Douglas County, Nebraska.

If the present or future owners of any of said lots, or their grantees, heirs, or assigns, shall violate or attempt to violate any of these Covenants, it shall be lawful for any other person or persons owning any part of said real estate to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such Covenant and either to prevent him or them from so doing or to recover damages or other dues for such violation.

Invalidation of any of these Covenants by judgment or court order shall in no way affect any of the other provisions, which shall remain in full force and effect.

A. Said lots shall be used only for single-family residential purposes except such lots, or portions thereof, as may hereafter be conveyed or dedicated by the owners thereof for public, church, educational or charitable uses.

B. No outside radio, television or other electronic antenna or aerial shall be erected on any building plot without written consent of Morrison Bros. Real Estate Co., a Nebraska corporation. E. No trailer, basement, tent, shack, garage, barn or other outbuilding erected on said real estate shall at any time be used as a residence temporarily or permanently, nor shall any structure of a temporary character be used as a residence.

F. Prior to commencement of construction of any structures, the plans and specifications therefor must be submitted to and approved in writing by Morrison Bros. Real Estate Co. The exposed front foundation wall of all main residential structures must be constructed of or faced with brick or stone. All exposed side and rear concrete block or masonry foundation walls must be painted. All driveways must be constructed of concrete, brick, asphalt or laid stone.

G. The ground floor enclosed living area of main residential structures, exclusive of open porches, open breezeways, basements and garages, shall be not less than the following minimum sizes:

For each single-family dwelling there must also be erected a private garage for not less than two cars.

H. A perpetual license is hereby reserved in favor of and granted to Northwestern Bell Telephone Co., Omaha Public Power District and all public utility companies now or hereafter operating within said Addition, their successors and assigns, to erect and operate, maintain, repair and renew poles with the necessary supports, sustaining wires, cross-arms, guys and anchors and other instrumentalities and to extend thereon wires for the carrying and transmission of electric current for light, heat and power and for all telephone and telegraph and message service over and upon a five (5) foot strip of land adjoining the rear boundary lines of said lots in said addition; said license being granted for the use and benefit of all present and future owners of lots in said addition.
