No buildings, improvements or structures, shall be placed, in, on, over or across said easements by undersigned, his or their successors and assigns without express approval of said SID and said City; provided, however, that a paved, macadam, rock, asphalt or other hard surfaced street or parking lot, and trees, grass and shrubbery, may be installed within said easement by Grantor, his or their successors and assigns, and that in the event it becomes necessary to remove or replace said street, parking lot, trees, grass or shrubbery, in order to repair or maintain said sewer line, the removal or repair of said street or parking lot shall be done at the expense of SID and its successors and assigns and said premises shall be restored by SID and its successors and assigns to the condition thereof before said removal or repair.

Said SID shall cause any trench made on aforesaid realty to be properly refilled, and shall cause grass seed to be sown over said trench, and shall cause the premises to be left in a neat and orderly condition.

This easement is also for the benefit of any contractor, agent, employee and representative of the SID and said City in any of said construction and work. Grantor shall have the right, such right to be a property right, to connect to the Sanitary Sewer set forth in this easement, for residential sewer services or systems servicing any or all residential dwellings, both single and multi-family for the following described property:

The E 1/2 of the SW 1/4 of the SW 1/4, Section 11, Township 14 North, Range 11 East of the 6th P.M., Douglas County, Nebraska.

Grantor's right is subject, however, to Grantee's right to first use of said sewer line. In the event Grantee's engineers, Elliott and Black, 8801 Building, Omaha, Nebraska, determine that Grantor's use will or would materially affect Grantor's use of the sewer line to provide a proper sewer system for owner's of real estate in SID No. 240, then Grantor's right to connect shall terminate. Grantor's connections shall be at Grantor's sole expense and Grantor shall return the real estate to the same condition it was before the connection was made.

Grantor's right to connect shall be conditioned also upon payments to the Grantee on the following schedule:

- (a) One Hundred and Fifty Dollars (\$150.00) for each of the first 100 connections;
- (b) Fifty Dollars (\$50.00) for each connection in excess of One Hundred (100) connections.

This property right shall inure to the benefit of all such residential dwellings regardless of the owner or owners of such real estate or any part thereof at the time of any such connections.

Said Grantors for himself or themselves and his or their heirs, executors and administrators does or do confirm with the said SID and City and their assigns, that he or they, the Grantors is or are well seized in fee of the above described property and that he or they has or have the right to grant and convey this easement in the manner and form aforesaid, and that he or they will, and his or their heirs, executors and administrators, shall warrant and defend this easement to said SID and City and their assigns against the lawful claims and demands of all persons. This easement runs with the land.

The consideration recited includes damages for change of grade, if any, and any and all claims for damages arising from change of grade or grading are hereby waived.

IN WITNESS WHEREOF, said Grantor(s) has or have hereunto set his or their hands and seal(s) the day and year first above written.
