The undersigned hereby declare that the following covenants are to run with the land and shall be binding on all present and future owners of all or any part of the following described real estate until December 31, 192015.

Lots 1 through 68 and 70 through 116 inclusive, in Oak Hills of Papillion, a subdivision in Sarpy County, Nebraska.

If the present or future owners of any of said lots, or their grantees, heirs, or assigns, shall violate or attempt to violate any of these covenants, it shall be lawful for any other person or persons owning any part of said real estate to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenant and either to prevent him or them from so doing or to recover damages or other dues for such violation.

Invalidation of any of these covenants by judgment or court order shall in no way affect any of the other provisions hereof, which shall remain in full force and effect.

A. Said lots shall be used only for single-family purposes and for accessory structures incidental to residential use, or for park, recreational, church or school purposes.

B. No noxious or offensive trade or activity shall be carried on upon any plot nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood.

Dwellings constructed in another addition or location shall not be moved to any lot within this addition. No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot, except that dogs, cats or other household pets may be kept, provided they are not kept, bred or maintained for any commercial purpose.

D. No structures of any kind shall be commenced, erected, placed, or permitted to remain on any lot unless and until at least two copies of complete plans and specifications therefor and the plot plan showing location and elevations of structures and both existing and finish grades have been submitted to and received prior written approval of the undersigned Oak Grove, Inc. (herein called "Developer") as to exterior design, exterior materials and colors, location and design of fences, type of driveway construction, grading elevations, landscape plan, location of structures on premises and compliance with these covenants. One copy of said plans shall be retained by the Developer and the approved copy delivered to the owner. If Developer fails to either give written approval or disapproval of a submitted design within thirty days after submission of the required plans, specifications and plot plan for a specific lot, then such failure shall be deemed to be an approval of such plans for said specific lot. No outside radio, television, or electronic antenna or aerial shall be erected or placed on any lot or upon any structure erected thereon, without the prior written approval of the Developer. No outside above-ground or uncovered trash or garbage piles, burners, receptacles or incinerators shall be erected, placed or permitted on any lot.
