The annual and special assessment together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. All subsequent purchasers shall take title subject to said lien and shall be bound to inquire of the Association as to the amount of any unpaid assessments. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the following purposes:

- (a) To promote the recreation, health, safety, and welfare of the residents in the Properties;

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above five percent (5%) by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

**Section 4. Special Assessments for Capital Improvements.** In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

**Section 5. Notice and Quorum for Any Action Authorized Under Sections 3 and 4.** Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be delivered either personally or by mail to all members not less than 30 days nor more than 50 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

**Section 6. Uniform Rate of Assessment.** Both annual and special assessments must be fixed at a uniform rate for all lots and may be collected on a monthly basis.

**Section 7. Date of Commencement of Annual Assessments; Due Dates.** The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the Common Area, to the Association, except that as to any lot(s) upon which a dwelling unit has not been substantially completed, such annual assessments as to such lot(s) only shall be adjusted and reduced to twenty-five percent (25%) of the total amount thereof until a dwelling unit thereon is substantially completed. The first annual assessment shall be adjusted and prorated according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. The annual assessments shall be and become a lien as of the date of the annual assessment. Written notice of the annual assessment shall be sent to every Owner subject thereto immediately following the assessment date. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified lot have been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

**Section 8. Effect of Nonpayment of Assessments—Remedies of the Association.** Any assessment installment which is not paid when due shall be delinquent. If the assessment installment is not paid within thirty (30) days after the due date, the assessment installment shall bear interest from the due date at the rate of six percent (6%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property in proceedings in the nature of a mechanics lien foreclosure. In either a personal or foreclosure action, the Association shall be entitled to recover as a part of the action, the interest, costs and reasonable attorney's fees with respect to the action. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot. The mortgagee of the subject property shall have the right to cure any delinquency of an Owner by payment of all sums due, together with interest, costs and fees. The Association shall assign to such mortgagee all of its rights with respect to such lien and right of foreclosure to the mortgagee.

**Section 9. Subordination of the Lien to Mortgages.** The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any lot shall not affect the assessment lien. However, the sale or transfer of any lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof.

**Section 10. Exempt Property.** The following property subject to this Declaration shall be exempt from the assessments created herein:

- (a) all Properties dedicated to and accepted by a local public authority; and
- (b) the Common Area.

## ARTICLE VI. ARCHITECTURAL CONTROL

No building, fence, landscaping or other structure or improvement, including but not limited to, playground equipment, storage sheds, antennae, rock gardens, fountains, statues, trees, shrubs, shall be commenced, erected or maintained upon the Properties, nor shall any exterior painting, resurfacing, addition to or change or alteration therein, be made until the plans and specifications showing the nature, kind, shape, heights, materials, color of paint, and location of same shall have been submitted to and approved in writing as to harmony of external design, color and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an architectural control committee composed of three (3) or more representatives appointed by the Board.

The Board, or its designated committee, shall have the right to disapprove any such plans or specifications or grading or landscaping plans which are not suitable or desirable in the Board's or committee's option, for aesthetic or other reasons, and in passing upon such plans, specifications, grading or landscaping plans, the Board or committee shall have the right to take into consideration the suitability of the proposed building or other structure and of the materials of which it is to be built, the color scheme, the site upon which it is proposed to erect the same, the harmony thereof with the surroundings, the topography of the land and the effect of the building or other structure or landscaping as planned on the outlook from the adjacent or neighboring property, and if it is in accordance with all of the provisions of this Declaration.

The Board or committee may disapprove if the plans and specifications submitted are incomplete, or in the event the Board or committee deems the plans, specifications or details or any part thereof to be contrary to the spirit or intent of these conditions and restrictions. The decisions of the Board or its said committee shall be final.

Neither the undersigned nor any architect or agent of the undersigned nor any member of the Board or its said committee by virtue of his membership thereon, or discharge of his duties required thereby, shall be responsible in any way for any defects in any plans or specifications submitted, revised or approved in accordance with the foregoing, nor for any structural or other defects in any work done according to such plans or specifications. No building or improvements of any kind constructed or placed upon any of said lots hereafter shall be moved without the prior written approval of the Board or its said committee. In the event said Board, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with. Neither the members of the Board or its said committee shall be entitled to any compensation for services performed pursuant to this covenant.

## ARTICLE VII. USE RESTRICTIONS

A. The use of the Common Area shall be subject to the restrictions set forth in Article II, Section I, and to those restrictions hereinafter set forth.

B. No use shall be made of the Common Area which will in any manner violate the statutes, rules or regulations of any governmental authority having jurisdiction over the Common Area.

Further, no business activities of any kind whatever shall be conducted in any building or in any portion of the property. Provided, further, however, the foregoing covenants shall not apply to the business activities, signs and billboards, or the construction and maintenance of buildings, if any, of the Declarant, its agents and assigns during the construction and sale period, and of the Association, its successors and assigns, in furtherance of its powers and purposes as hereinafter set forth.

K. No noxious or offensive activity shall be carried on upon any Lot, nor shall anything be done thereon which may be, or may become an annoyance or nuisance to the neighborhood.

- M. No incinerator or trash burner shall be permitted on any Lot. No garbage or trash can or container or fuel tank shall be permitted to remain outside of any dwelling. No garden, lawn or maintenance equipment of any kind whatsoever shall be stored or permitted to remain outside of any dwelling except when in actual use. No garage door shall be permitted to remain open except when entry to and exit from the garage are required. No clothes line shall be permitted outside of any dwelling at any time.
- N. Notwithstanding any provisions herein contained to the contrary, it shall be expressly permissible for a builder of said buildings, upon receipt of prior written permission from the Association, to maintain during the period of construction and sale of said buildings upon such portion of the premises as such builder may choose, such facilities as in the sole opinion of said builder may be reasonably required, convenient or incidental to the construction and sale of residential dwelling units, including, but without limitation, a business office, a storage area, construction yards, signs, model units and sales office.
- O. The following building restrictions for single-family dwelling shall apply to said Lots:
  - (1) The following minimums shall be required for finished living areas exclusive of open porches, breezeways and garages: 1250 square feet on the ground floor for a one-story house; 1300 square feet throughout the house for a bi-level, tri-level, split-level, split-entry, 1½ story or taller house, but the foundation walls must enclose an inside ground area of not less than 850 square feet.

The Architectural Control Committee shall have exclusive jurisdiction and control to select and approve the type of said exterior light to be installed, whether same shall be located on the exterior of the dwelling unit to be constructed on said Lot, or on a pole installed on said Lot or on the adjacent Common Area, or elsewhere. If constructed on a pole said light shall be supplied with current from an underground conductor. Said exterior light shall be operated by an automatic turn-on device of a type selected and approved by the Architectural Control Committee. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.
- Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in nowise affect any other provisions which shall remain in full force and effect.
- Section 3. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years.
