**Section 6. Notice and Quorum for Any Action Authorized Under Sections 4 and 5.** Written notice of any meeting called for the purpose of taking any action authorized under Section 4 or 5 shall be delivered either personally or by mail to all members not less than 30 days nor more than 50 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

**Section 7. Uniform Rate of Assessment.** Both annual and special assessments must be fixed at a uniform rate for all lots and may be collected on a monthly basis.

**Section 8. The first annual assessment shall be adjusted and prorated according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each lot at least thirty (30) days in advance of each annual assessment period. The annual assessments shall be and become a lien as of the date of the annual assessment. Written notice of the annual assessment shall be sent to every Owner subject thereto immediately following the assessment date. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specific lot have been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

**Section 9. Effect of Nonpayment of Assessments—Remedies of the Association.** Any assessment installment which is not paid when due shall be delinquent. If the assessment installment is not paid within thirty (30) days after the due date, the assessment installment shall bear interest from the due date at the rate of six percent (6%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property in proceedings in the nature of a mechanics lien foreclosure. In either a personal or foreclosure action, the Association shall be entitled to recover as a part of the action, the interest, costs and reasonable attorney's fees with respect to the action. No Owner may waive or otherwise escape liability for the assessment provided for herein by non-use of the Common Area or abandonment of his Lot. The mortgagee of the subject property shall have the right to cure any delinquency of an Owner by payment of all sums due, together with interest, costs and fees. The Association shall assign to such mortgagee all of its rights with respect to such lien and right of foreclosure to the mortgagee.

**Section 10. Subordination of the Lien to Mortgages.** The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any lot shall not affect the assessment lien. However, the sale or transfer of any lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof.

**Section 11. Exempt Property.** The following property subject to this Declaration shall be exempt from the assessments created herein:

- (a) all Properties dedicated to and accepted by a local public authority; and
- (b) the Common Area.

**ARTICLE VI. PARTY WALLS**

**Section 1. Every deed, whether or not expressly so stating, shall be deemed to convey and to be subject to such reciprocal easements.

**Section 2. General Rules of Law to Apply.** Each wall which is built as a part of the original construction of the homes upon the Properties and placed on the dividing line between the lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts of omissions shall apply thereto.

**Section 3. Sharing of Repair and Maintenance.** The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

**Section 4. Destruction by Fire or Other Casualty.** If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

**Section 5. Weatherproofing.** Notwithstanding any other provision of this Article, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Three directors appointed by the President, none of whom shall be a party to the dispute, shall act as a Board of Arbitration, and the decision shall be by a majority vote of the Board of Arbitration after an arbitration proceeding. The Board or committee may disapprove if the plans and specifications submitted are incomplete, or in the event the Board or committee deems the plans, specifications or details or any part thereof to be contrary to the spirit or intent of these conditions and restrictions.
