RECITALS

WHEREAS:

Pioneer Lake Subdivision including all past and future phases thereof (hereafter "PLS") consists of platted and as yet unplatted residential lots and a recreational lake (hereafter "Pioneer Lake") within its boundaries.

Outlot D, of "Pioneer Lake, Lots 47 Through 58, Inclusive" is currently owned by Grantor, but after this instrument is filed of record Grantor will transfer ownership of said Outlot D, which includes land and a portion Pioneer Lake, to **Pioneer Lake Homeowners Association, Inc.**, a Nebraska Non-Profit Corporation, organized and existing under and by virtue of the laws of the State of Nebraska, (hereafter the "Association" or the "HOA"). By virtue of accepting said transfer of title and delivery of deed the HOA will be bound by the terms of this instrument.

The Association has promulgated in the past and will from time to time promulgate in the future Restrictive Covenants, By-Laws, and Rules.

Although the Benefitted Lot described above is located within and is a part of PLS it does not abut or have direct access to Pioneer Lake.

It is the desire of Owner to provide a permanent means of access to Pioneer Lake for the exclusive benefit of the Benefitted Lot described above.

To do so requires that the Benefitted Lot and the Defined Easement Area be subject to the same covenants, by-laws and rules as all other Lots within PLS.

To further provide for maintenance terms to define who is responsible for maintaining the Defined Easement Area.

NOW, THEREFORE, the following Easement, Covenants, By-Laws, Rules, and Maintenance requirements are hereby adopted for the benefit and obligation of the Benefitted Lot and Defined Easement Area described above.

EXCLUSIVE INGRESS/EGRESS EASEMENT

Grantor does hereby grant and establish an exclusive Easement for ingress and egress over the Defined Easement Area for the exclusive benefit of Benefitted Lot, each of which are legally described above. Said Easement is for the purpose of providing the Benefitted Lot an exclusive access to Pioneer Lake over and across the Defined Easement Area. Said Easement is for the exclusive benefit of the Benefitted Lot, and the Owners and Invitees thereof. Provided, that the Benefitted Lot and the Defined Easement Area described above are subject to the Covenants, By-Laws, Lake Rules, and maintenance and upkeep requirements set forth below, which Covenants, By-Laws, Lake Rules, and maintenance and upkeep requirements are incorporated into this grant of Easement under the terms set forth below.

COVENANTS/BY-LAWS/RULES

1. The Benefitted Lot described above shall be and by this instrument is a full voting member of Pioneer Lake Homeowners Association, Inc. (hereafter the "HOA"). The Defined Easement Area described above shall, for purposes of the current and future HOA covenants,

by-laws, and rules, be considered part of the Benefitted Lot and shall not have separate voting rights separate and apart for the Benefitted Lot described above.

2. The HOA Covenants currently recorded at Book 2006 Page 2384 on April 10, 2006, and all future amendments and restatements thereof, are incorporated herein by reference and shall run with the land, and each person, firm, corporation or entity taking title to the above-described property, or any part thereof, agrees to be bound by said restrictive covenants, the same as if written in the instrument under which said person, firm, corporation or entity acquires title to said real property or any part thereof.

3. The HOA By-Laws currently recorded at Book 2006 Page 2383 on April 10, 2006, and all future amendments and restatements thereof, are incorporated herein by reference and shall run with the land, and each person, firm, corporation or entity taking title to the above-described property, or any part thereof, agrees to be bound by said By-Laws, the same as if written in the instrument under which said person, firm, corporation or entity acquires title to said real property or any part thereof.

4. The HOA Rules including Lake Rules as adopted by the HOA from time to time and all future amendments and restatements thereof, are incorporated herein by reference and shall be binding upon all present and future owners of the Benefitted Lot and equally applicable to and binding upon the Described Easement Area benefitting said above described Benefitted Lot.

5. The Defined Easement Area described above is one of five (5) adjacent easement areas providing access to Pioneer Lake for the benefit of Lots 42R, 43R, 44R, 45R, and 46. The owner of the Benefitted Lot described above shall be liable to the record title owner of said five easement areas for one-fifth (20%) of the annual real estate taxes and assessments attributable to the area where said five easement strips are located. A Notice of Amount Due must be presented by the owner of the Defined Easement Area to the owner of the Benefitted Lot by February 1st of each calendar year for the taxes assessed for the prior year, and shall be due by March 1st each calendar year. If not paid by March 1st the owner(s) of the above described Benefitted Lot shall have no right of access to or use of Pioneer Lake until such reimbursement for real estate taxes including interest thereon at 14% per annum interest has been paid in full to the owner of the Defined Easement Area.

MAINTENANCE, UPKEEP, AND RE TAX ASSESSMENT

6. The owner of the Benefitted Lot shall be solely responsible for all maintenance and upkeep of the Defined Easement Area, the same as if said Defined Easement Area were part of the Benefitted Lot.

7. The owner of the Benefitted Lot shall be solely responsible for all improvements said owner may wish to make upon the Defined Easement Area including boat docks. Any such improvements must be within the allowed covenants, by-laws, and rules of the HOA with any approvals required by said covenants, by-laws, and rules obtained prior to construction.

8. In event the Dodge County Treasurer assesses any real estate taxes and/or personal property taxes applicable to the Defined Easement Area, the amount of such taxes shall be deemed a Special Assessment imposed by the Pioneer Lake Homeowners Association or its successor in interest which shall be owed each year by the owner of the Benefitted Lot to said Association, which in turn shall be responsible for paying such tax, unless the owner of the Benefitted Lot is permitted by Dodge County to pay such tax directly to the Dodge County

Treasurer. The Association shall make every reasonable effort to cause Dodge County to proportionally allocate the portion of the Lot's taxes attributable to the Defined Easement Area to the taxes assessed to the Benefitted Lot. If the Association is successful, the result will be that the Benefitted Lot will thereafter pay said taxes directly. Otherwise the portion of the annual real estate taxes attributable to the Defined Easement Area shall continue to be a special assessment charged to the Benefitted Lot as stated herein and enforceable the same as all other annual and special assessments of the Association, and in addition, should owner of the Benefitted Lot fail to pay such special assessment for taxes said owner's use of the Defined Easement Area shall be suspended and denied until such special assessment is paid in full.

IN WITNESS WHEREOF, the undersigned as the sole owner of the property described above has executed this instrument on this 15th day of December, 2016.
