Honorable President

and Members of the City Council,

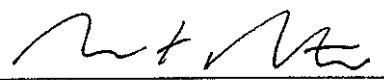

The attached proposed Ordinance Amends Ordinance No. 35543 approved April 10, 2001, authorizing the implementation of the Gallup University Riverfront Redevelopment Agreement.

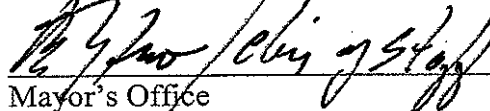

Pursuant to Section 2.13 of the Redevelopment Agreement, the City is in the process of replatting and rezoning the Campus, the Future Parking Structure Area, and Miller's Landing as shown on the final plat of Gallup University Riverfront Campus, Exhibit "A" to the Amendment. In conjunction with such replatting and rezoning, the parties thereto have agreed to the locations, terms, and conditions of certain easements to be granted by the City. The Developer and the City have also agreed to certain revisions to the Site Transfer Plan (Exhibit 7 to the Redevelopment Agreement) pursuant to which the City shall convey the Campus to the Developer. In conjunction with the replatting and rezoning of the Campus, the City and the Developer intend to enter into a Mixed Use District Development Agreement pertaining to the Campus (the "Mixed Use District Development Agreement"). It is felt that this Amendment is necessary to adequately implement and complement the redevelopment project authorized by Ordinance No. 35543 and consequently Ordinance No. 35543 should be amended.

Your favorable consideration of this Ordinance will be appreciated.

FIRST AMENDMENT TO REDEVELOPMENT AGREEMENT

This First Amendment to Redevelopment Agreement (this "Amendment") is made and entered into by and between THE CITY OF OMAHA, NEBRASKA, a municipal corporation (the "City"), and RIVERFRONT CAMPUS DEVELOPERS, LLC, a Nebraska limited liability company (the "Developer").

PRELIMINARY STATEMENT

The City, the Developer and Douglas County, Nebraska (the "County") entered into that certain Redevelopment Agreement dated April 19, 2001 (the "Redevelopment Agreement") pursuant to the Gallup University Riverfront Redevelopment Plan of the City. The County has performed all of its obligations under the Redevelopment Agreement, conveyed to the City the portion of Miller's Landing owned by the County, and entered into an interlocal agreement with the City, all as contemplated by Section 3 of the Redevelopment Agreement. Consequently, the City has succeeded to the rights, interests and duties of the County under the Redevelopment Agreement. The City and the Developer now wish to amend the Redevelopment Agreement in the manner set forth in this Amendment.

Pursuant to Section 2.13 of the Redevelopment Agreement, the City is in the process of replatting and rezoning the Campus, the Future Parking Structure Area, and Miller's Landing as shown on the final plat of Gallup University Riverfront Campus attached hereto, marked Exhibit "A," and by this reference incorporated herein (the "Plat"). In conjunction with such replatting and rezoning, the parties hereto have agreed to the locations, terms, and conditions of certain easements to be granted by the City. The Developer and the City have also agreed to certain revisions to the Site Transfer Plan (Exhibit 7 to the Redevelopment Agreement) pursuant to which the City shall convey the Campus to the Developer. In conjunction with the replatting and rezoning of the Campus, the City and the Developer intend to enter into a Mixed Use District Development Agreement pertaining to the Campus (the "Mixed Use District Development Agreement").

NOW, THEREFORE, in consideration of the mutual agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

AGREEMENT

1. **Definitions.** (a) Effective upon the approval and recording of the Plat, the following definitions shall supercede the definitions of the same terms in Section 1 of the Redevelopment Agreement:

"Campus" shall mean the area shown and depicted on the Plat as Lots 1 through 15, inclusive, and Outlots 1, 2 and 3, Gallup University Riverfront Campus, a subdivision, as surveyed, platted and recorded, in Omaha, Douglas County, Nebraska, to be occupied for corporate offices, a management education complex, a lodging facility, a printing and

mailing facility, a child development center, parking and any related, supportive, or other lawful operations and uses.

"Future Parking Structure Area" shall mean Lot 16, Gallup University Riverfront Campus, a subdivision, as surveyed, platted and recorded, in Omaha Douglas County, Nebraska.

"Lot" or "Lots" shall mean a lot or lots shown on the Plat.

"Miller's Landing" shall mean Lot 17, Gallup University Riverfront Campus, a subdivision, as surveyed, platted and recorded, in Omaha, Douglas County, Nebraska, to be developed and used as public open space, access to the Missouri River and access to the Campus.

(b) Other capitalized terms used but not defined in this Amendment shall have the meanings ascribed to them in the Redevelopment Agreement.

2. **Replatting and Rezoning.** The City shall replat the Campus, the Future Parking Structure Area, and Miller's Landing as shown on the Plat. The City shall rezone the Campus MU Mixed Use District, and the City and the Developer shall enter into the Mixed Use District Development Agreement.

3. **Site Transfer Schedule.** The Campus Lots shown on the Plat shall be conveyed by the City to the Developer in accordance with the following site transfer schedule:

| <u>Lots</u> | <u>Transfer Dates</u> |
|--------------------------------------|------------------------------|
| Lot 2 and Outlot 2 | April 1, 2002 |
| Lots 7 and 9 | July 1, 2002 |
| Lots 1, 3, 4, 15 and Outlots 1 and 3 | September 1, 2002 |
| Lots 5, 6, 8, 10, 11, 12, 13 and 14 | April 1, 2003 |

This site transfer schedule supercedes the site transfer schedule shown on Exhibit "7" to the Redevelopment Agreement.

4. **Grant of Easements.** The City shall grant the easements shown on the Plat. The terms of the easements shown on the Plat shall be as set forth in an Easement Agreement in the form of Exhibit "B" attached hereto and by this reference incorporated herein which shall be executed, acknowledged, and delivered by the City and the Developer and promptly recorded in the office of the Register of Deeds of Douglas County, Nebraska, at the City's expense.

5. **Deferral of Certain Site Preparation Work.** Notwithstanding any other provisions of the Redevelopment Agreement, with respect to Lots 3 through 6, 11, 12 and 15, the City shall be required to complete environmental remediation in accordance with Sections 2.2 and 2.3 of the Redevelopment Agreement and grade such Lots as shown on the Rough Grading Plan by the dates such Lots are to be transferred to the Developer. However, with respect to such Lots the City's obligation to complete the other Rough Grading and Site Preparation work, as defined and required in the Redevelopment Agreement, shall be deferred until the Developer

notifies the City that the Developer intends to further develop such Lot or Lots and instructs the City to proceed with such deferred work. Upon receipt of such a notice to proceed with such work, the City shall proceed promptly and diligently to complete such work as soon as reasonably possible, and in any event within nine (9) months after receipt of such notice. The Developer may give the City such notices at any time and from time to time with respect to any one or more of such Lots. The City and the Developer agree that the Developer shall not be entitled to any additional TIF Bond proceeds pursuant to Section 2.16 of the Redevelopment Agreement on account of any cost savings resulting from the deferral of Site Preparation work pursuant to this section, nor shall the amount of TIF Bond proceeds the Developer is entitled to receive pursuant to Section 2.16 of the Redevelopment Agreement be reduced if the deferral of such Site Preparation work causes the costs thereof to be greater than they would have been if such work had been performed in accordance with the original schedule set forth in the Redevelopment Agreement.

6. **Revised Rough Grading Plan.** The parties acknowledge that the Rough Grading Plan for a portion of the Plan Area has been revised since the effective date of the Redevelopment Agreement. Attached hereto, marked Exhibit "C" and by this reference incorporated herein, is a site grading plan which the parties agree amends and supercedes the Rough Grading Plan attached as Exhibit 5 to the Redevelopment Agreement to the extent it conflicts therewith.

7. **Revised Master Plan.** The parties acknowledge that the Master Plan for a portion of the Plan Area has been revised since the effective date of the Redevelopment Agreement. Attached hereto, marked Exhibit "D" and by this reference incorporated herein is a drawing which the parties agree amends and supercedes the Master Plan drawing attached as Exhibit 1 to the Redevelopment Agreement to the extent it conflicts therewith.

8. **Revised Project One Area.** The parties agree that notwithstanding Exhibit 2 or any other provision of the Redevelopment Agreement, effective as of the date of recording of the Plat in the office of the Douglas County Register of Deeds, the Project One Area shall mean Lots 2 and 7.

9. **Binding Effect.** As hereby amended, the Redevelopment Agreement shall remain in full force and effect.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the dates set forth beneath their respective signatures, the latter of which shall be considered the date of this Agreement for reference purposes.
