10/26/93 - reviewed perpetual easement over that part of LOT 2, South of the North line of LOT 1, being the West 40' of the S 500' of LOT 2 in Sorensen's Subdivision

with John Samson when doing loan policy NYTRW-444 on LOT 1's perpetual easement.

He had me show exception as follows:

Any: all subsequent easements over that part of LOT 2, South of the North line of LOT 1, being the W 40' of the S 500' of LOT 2 in Sorensen's Subdiv., one being in WD 178 Page 452 dated 5-4-89 filed 5-31-89.

because

anyone sharing usage of this easement will share in the maintenance

When doing LOT 2 of this subdiv. <sup>139-410</sup> exception of the reservation in WD dated 7-5-80 plus the deeds 169-350; 170-212; 178-452 would be shown as exceptions

Any mtgs / unpaid taxes prior to the reservation / conveyances of the perpetual easement would be exceptions.

Taxes on L2 shown paid thru 1992's  
No unreleased mtgs on ground prior to reservation / conveyance.
