FOR AND IN CONSIDERATION of the payment of the sum of *EIGHT THOUSAND FORTY DOLLARS* (\$8,040.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, Harlan C. Otte & Mildred M. Otte, husband and wife, (hereinafter referred to as "the GRANTOR," whether one or more), for himself, herself, themselves, or itself, and for his, her, their or its heirs, successors and assigns, does hereby grant, bargain, sell, convey and confirm unto the SARPY COUNTY, NEBRASKA (hereinafter referred to as "the COUNTY") and its successors and assigns, a Permanent Easement, hereinafter described, in, over and upon a parcel of land in Sarpy County, Nebraska, more particularly described in the legal description attached hereto as Exhibit "A" and incorporated herein by reference, (such parcel of land hereinafter being referred to as the "Easement Area").

Pursuant to this Easement, the County, its successors and assigns, and their respective officers, agents, employees and contractors, shall have the permanent right to enter and use the Easement Area from time to time for ingress and egress in connection with inspection, operation, maintenance, replacement, and repair of outfall sewer improvements; and, the permanent right to have the Easement Area unobstructed at the time of the County's entries; provided, however, there is reserved to the GRANTOR, and to GRANTOR's heirs, successors and assigns, the right to use the Easements Area for purposes that do not interfere with the County's uses of the Easement Area.

General Provisions

A. The above payments shall cover all damages caused by the establishment and construction of the above project except for CROP DAMAGE, if any, which will be paid for in an amount based on the yield from the balance of the field less expenses of marketing and harvesting. CROP DAMAGE shall mean damage to such crops as are required to be planted annually and which were planted at the time of the signing of this contract and which are actually damaged due to construction of this project, but in no case shall damages be paid for more than one year's crop. The OWNER agrees to make a reasonable attempt to harvest any crop so as to mitigate the crop damage.

B. The GRANTOR waives compliance by the COUNTY with the notice and other provisions of the Uniform Procedure for Acquiring Private Property for Public Use (Sec. 25-2501, R.R.S. 1943, et seq., as amended)

C. The GRANTOR, for itself and for its successors and assigns, covenants and agrees that GRANTOR is the owner of the Easement Area and that it has good right to convey these easements over the same; that said premises are free and clear of all liens and encumbrances, except easements and covenants of record; and, that it will warrant and defend the title to this Easement against all lawful claims and demands of all persons whomsoever.
