

NOTICE

METROPOLITAN UTILITIES DISTRICT

to

Job No. GC-M 2550

WHOM IT MAY CONCERN:

Notice is hereby given that Metropolitan Utilities District has, under its construction order procedure, installed a 888 main, in the following streets:

On Bedford Avenue between 83rd Street and a point 602.3 feet WWPL of 83rd Street

in Omaha, Douglas County, Nebraska, or adjoining said city, abutting the lots or parcels of land described below:

Lots 2, 3, 5, 6, 9, 10, 11, 12 and 13, Block of Lot 47, Keystone Park

A connection charge of \$ 824 per foot will be made as to each of said lots or parcels of land whose owners apply for and receive service from such main. This charge is in lieu of an assessment which would have been made if said main had been installed under the statutory procedure for main extensions. The connection charge may be paid in full, or in installments, as provided by the Rules and Regulations of Metropolitan Utilities District.

When the connection charge has been paid in full by the owner of a lot, a receipt will be issued and may be recorded by him. Inquiry may be made of the New Services Section of Metropolitan Utilities District as to whether a connection to said main has been made as to any one of the lots or parcels of land hereinabove described, and the amount of the connection charge remaining unpaid, if any.
