**SECOND AMENDMENT  
TO  
DEVELOPMENT/SUBDIVISION AGREEMENT**

17th This Second Amendment to the Shadow Lake Development/Subdivision Agreement, made this day of May, 2011, by and between SANITARY AND IMPROVEMENT DISTRICT NO. 264 (hereinafter referred to as "DISTRICT"), ALCHEMY PARTNERS I, LLC a Nebraska limited liability company, and SHADOW LAKE DEVELOPMENT, LLC, a Nebraska limited liability company (hereinafter collectively referred to as "SUBDIVIDER"), and THE CITY OF PAPILLION, NEBRASKA, a municipal corporation (hereinafter referred to as "CITY") amends and modifies the Development/Subdivision Agreement adopted by RES. R05-0070 entered into by the parties on May 17, 2005.

WHEREAS, the SUBDIVIDER as the owner of the land desires to replat and develop Lot 750, Shadow Lake into Lots 1 and 2, and Outlot A, Shadow Lake Replat 5 as shown on the proposed plat attached hereto as Exhibit "A-2" (hereinafter referred to as "PROPERTY"); and

WHEREAS, the SUBDIVIDER proposes to build public improvements on the PROPERTY; and

WHEREAS, the SUBDIVIDER wishes to connect the system of sanitary sewers to be constructed within the PROPERTY to the sewer system of the City of Papillion; and

WHEREAS, the SUBDIVIDER and CITY desire to agree on the method for the installation and allocation of expenses for public improvements to be constructed in the PROPERTY.

NOW, THEREFORE, in consideration of the above, the following is agreed between the parties hereto:

1. Public/Private Improvements. Attached hereto as Exhibit "B" and incorporated herein by reference are plats showing the public and private improvements to be installed on the PROPERTY, i.e. storm sewer, sanitary sewer and paving of public and private streets (hereinafter referred to as "Improvements"). Private streets must be constructed to public street standards and may be constructed in an Outlot rather than publically dedicated right-of-way. All Improvements must receive the approval of the CITY prior to construction.

2. Water, Gas and Electrical Power. The SUBDIVIDER agrees to enter into agreements with (i) Black Hills/Nebraska Gas Utility Company, LLC regarding all gas line extensions on the PROPERTY; (ii) Omaha Public Power District for power lines to be installed on the PROPERTY; and (iii) The City of Papillion for water line extensions on the PROPERTY. Copies of all agreements with Black Hills/Nebraska Gas Utility Company, LLC and the Omaha Public Power District will be provided to the CITY within four (4) months from the date of this Agreement.

3. Installation of Public/Private Improvements. The SUBDIVIDER agrees to commence the timely and orderly installation of the Improvements following execution of this Agreement, pursuant to Chapter 170, Subdivision of Land, of the Papillion Municipal Code.

4. Payment for Public/Private Improvements. The SUBDIVIDER shall pay the cost of all of the paving, sanitary and storm sewer and water line improvements, all charges by Black Hills/Nebraska Gas Utility Company, LLC for gas line installation and charges by Omaha Public Power District for underground electrical service or overhead power installations. The credit or funds of the DISTRICT shall not be used for construction of any improvement or facilities identified on Exhibit "B".

5. Sidewalks. The SUBDIVIDER shall cause sidewalks along both sides of all public and private streets within the area to be developed to be constructed according to the following schedule:

(a) Sidewalks shown on Exhibit "B" shall be constructed based on the following schedule:

(1) The sidewalks on the west and south sides of the private street located in Outlot A shall be installed at the time of completion of the construction of an adjacent building.

(2) The sidewalk on the south side of Schram Road shall be installed at the time of construction of the first building on either Lot 1 or Lot 2 or at the time of construction of the public improvements on Schram Road.

(3) The sidewalk on the west side of 72<sup>nd</sup> Street shall be installed at the time of construction of the first building on either Lot 1 or Lot 2 or at the time of construction of the public improvements on 72<sup>nd</sup> Street.

(4) The sidewalks along all street frontages adjacent to Outlot 23, Shadow Lake must be installed at the time of construction of the first building on either Lot 1 or Lot 2 or at the time of construction of the public improvements on 72<sup>nd</sup> Street.

(b) In any event, all sidewalks shall be constructed upon both sides of all public and private streets within the property within three (3) years of the recording of the subdivision plat.

(c) All sidewalks, handicap accessible ramps, and crosswalks shall be designed and constructed in accordance with PROWAG.

6. Right to Connect to City Sewer System. The CITY hereby acknowledges that it has given the SUBDIVIDER the right to connect the sanitary sewer system of the PROPERTY to the City sanitary sewer system, subject to obtaining proper permits and paying the regular fees.

7. Repeal of Section 10. Section 10 of the May 17, 2005 Shadow Lake Development/Subdivision Agreement is hereby repealed because a separate Mixed Use Agreement for Shadow Lake Square is being adopted in conjunction with the approval of this amendment.

8. Payment of Watershed Fees. The SUBDIVIDER shall be responsible for payment of Watershed Fees in the amount of \$4,000 per gross acre for Lot 1 and \$3,300 per gross acre for Lot 2. The Watershed Fees for Lot 1 and Lot 2 shall be remitted by the SUBDIVIDER to the CITY upon issuance of a building permit on the respective lots on behalf of the DISTRICT. The Watershed Fees for Outlot A shall be calculated as follows: 50% of the gross acreage shall be paid at the rate of \$4,000 per gross acre and the remaining 50% of gross acreage shall be paid at \$3,300 per gross acre (which equates to \$3,650 per gross acre). The Watershed Fee for Outlot A shall be remitted by the SUBDIVIDER at the start of construction of the private street contained within Outlot A. The CITY shall remit said collected watershed fees to the DISTRICT. The reimbursement by the CITY to the DISTRICT shall be restricted for deposit into the DISTRICT'S bond fund and a reduction of the DISTRICT'S general obligation debt.

Bh ~~B~~

9. Schram Road Median Mitigation. The construction of the extra wide 8' sidewalk along the 72<sup>nd</sup> Street frontage by the SUBDIVIDER will suffice as mitigation for the loss of landscaping required for construction of the 1/4 access on Schram Road.

10. No Other Amendment. Except as specifically set forth herein, the Development/Subdivision Agreement shall remain in full force and effect.

11. Binding Effect. This Second Amendment to the Development/Subdivision Agreement shall be binding upon the parties, their respective successors and assigns.
