ARTICLE VI
Covenant for Maintenance Assessments

1. **Creation of the Lien and Personal Obligation of Assessments.** The Declarant for each Lot owned within the Property hereby covenants, and each Owner of any lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. Their personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them or unless a lien therefor has been filed against the Lot.
2. **Purpose of Assessments.** The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Neighborhood and on the Property and for the improvement and maintenance of the Common Area, and of the homes situated in the Neighborhood and on the Property.
3. **Annual Assessment.** The Board of Directors shall establish the annual assessments and the due date for the payment thereof. Annual assessments shall commence as determined by the Board and thereafter annually. The first annual assessment may be for a partial year. The Board shall cause written notice of such annual assessment to be sent to each voting member of the Association at least thirty (30) days prior to the commencement of the period covered by such assessment and sixty (60) days prior to the due date. Such assessments shall be final and conclusive as to all members assessed unless prior to the due date such annual assessment is vetoed by the negative vote of two-thirds (2/3) of the entire membership in person or by proxy of each class of the membership affected by such assessment notwithstanding a quorum requirement at any meeting called for the purpose of voting on such assessment.
4. **Special Assessments for Capital Improvements.** In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members affected thereby who are voting in person or by proxy at a meeting duly called for this purpose. Special assessments may be levied against any class of membership in the Association provided, however, no special assessment shall be levied against a class of membership unless the class is benefitted by the purpose of the assessment and all classes that are benefitted are assessed.
5. **Special Assessments for Damage to the Common Area.** In the event that a member or someone entitled to the use of the Common Area by virtue of such member is determined to be responsible for damages to the Common Area then the cost of such repairs or maintenance may be assessed against the Lot as a Special Assessment.

The Board of Directors shall levy and assess such special assessments, but only upon the affirmative vote of two-thirds (2/3) of the Board after hearing before the Board with no less than fifteen (15) days notice thereof to and an opportunity to be heard by the Lot Owner (which may be represented by an attorney). Any interested party may appear at such hearing.

6. **Notice and Quorum for Any Action Authorized Under Section 4.** Written notice of any meeting called for the purpose of taking any action authorized under Section 4 shall be sent to all members not less than thirty (30) days not more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast forty percent (40%) of all of the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called on ten (10) days written notice but setting forth within such notice that the meeting is a rescheduled meeting, and the quorum at the subsequent meeting shall be the voting membership present in person or by proxy at such meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

7. **Uniform Rate of Assessment.** Both annual and special assessments, except special assessments made under Section 5 above, must be fixed at a uniform rate for all Lots in the case of annual assessments and at a uniform rate for all lots benefitted by special assessments in the case of special assessments, and may be collected on a monthly basis, provided, however, Lots which have not been final platted shall not be assessed. Final platted Lots may be assessed prior to the conveyance of the Common Area to the Association. Special assessments under paragraph 5 above are limited to the costs and expenses incurred by the Association.
8. **Certificates:** The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessment on a specified Lot have been paid.
9. **Effect of Non Payment of Assessments: Remedies of the Association.** Any assessment not paid within sixty (60) days after the due date shall bear interest from the due date at the rate per annum as provided by the statutes of the State of Nebraska for delinquent real estate taxes. The treasurer of the Association shall execute, acknowledge and file with the Register of Deeds of Lancaster County, Nebraska, a lien for the amount of said assessment together with interest. Such lien shall include the date of delinquency, the then current interest rate, the legal description of the property and the name and address of the property owner as last shown on the books and record of the Association. The Treasurer shall give notice of such lien by United States mail, postage prepaid at the address of the property owner as last shown on the books and records of the Association. Such notice shall be complete upon mailing. The Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien against the property, and interest, costs, and reasonable attorney's fees of any such action shall be added to the amount of such assessment. No Owner may waive or otherwise escape liability for the assessments provided for therein by non-use of the Common Area or abandonment of his Lot.
10. **Subordination of the Lien to Mortgages.** The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment line. However, the sale or transfer of any lot pursuant to a first mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.
11. All properties dedicated to and accepted by the City of Lincoln and the Common Area shall be exempt from all annual and special assessments of the Association.

ARTICLE VIII Architectural Control

Prior to the construction of any residence on any Lot a set of building plans for such residence shall be submitted by the Lot Owner to the Developer for approval. Said building plans shall be signed and certified by the Lot Owner as a true and correct copy of the building plans for the residence to be constructed on such Lot and contain a statement that the Lot Owner will submit to the Developer, for written approval, any amendments, modifications or changes to such building plans. One set of such building plans, and all amendments, modifications and changes thereto, signed by the Lot Owner shall be left on permanent file with the Developer. No construction of any residence on any Lot shall be commenced unless and until written approval of the building plans for such residence has first been obtained from the Developer and such approval has been filed and recorded in the Office of the Register of Deeds of Lancaster County, Nebraska, which filing shall be at the expense of Owner. Written approval or disapproval of such building plans shall be given by the Developer within thirty (30) days from and after receipt thereof by the Developer. Prior to the construction of any addition to any residence constructed on any Lot, or the change or modification in the exterior of any residence constructed on any Lot, the Lot Owner shall first obtain the

written approval of the Developer to proceed with any such construction, change or modification.

Regardless of any of the requirements of these Covenants concerning the prior approval of building plans by the Developer, the Developer shall have no power to, to-wit: (i) allow, permit or consent to the construction of any residence on any Lot if such residence would violate any of the other terms or provisions of these covenants, or; (ii) waive any term, condition or restriction imposed by these Covenants on such Lot. The Developer may, in the Developer's sole discretion, at such time as the Developer deems appropriate, transfer and assign to the Homeowners Association the right to approve or disapprove building plans as above set forth. In such event, the Homeowners Association may delegate such duties to a Single Family Architectural Review Committee for the Single Family Lots and a Multi-Family Architectural Review Committee for the Multi-Family Lots.

5. No walls, fences, structure, planting or other materials shall be constructed, placed, planted, maintained or permitted to remain on any easement areas reserved for the installation and maintenance of utilities or drainage, as shown on recorded plat of the Subdivision, if such wall fence, structure or planting would, to-wit: (i) damage or interfere with the installation or maintenance of any such utilities, or; (ii) change the direction of flow of the surface water drainage channels in any such easement area, or; (iii) obstruct or retard the flow of water through any drainage channels over the easement area.

As long as there is a Class A-2 membership, the following actions will require the prior approval of the Federal Housing Administration or the Veterans Administration: Annexation of additional properties other than the remainder of the neighborhood, dedication of Common Area, and amendment of this Declaration of Covenants, Conditions and Restrictions.
8. Dirt placed in such stockpiling areas shall be leveled at the expense of Lot Owner relocating same to allow for mowing and maintenance. The Developer may, in the Developer's sole discretion, at such time as the Developer deems appropriate, transfer and assign to the Association this right to the dirt and the designation of its placement.
