WHEREAS, the real property adjacent to the area included within the revised plot plan for this proposed community unit plan will not be adversely affected; and

WHEREAS, said revised plot plan together with the terms and conditions hereinafter set forth are consistent with the intent and purpose of Title 27 of the Lincoln Municipal Code to promote the public health, safety, morals, and general welfare; and

WHEREAS, Resolution No. A-60889 granting such special permit was rendered null and void by Permittee's failure to timely file the required Letter of Acceptance, through inadvertence only and not as a rejection of any of the terms and conditions of the special permit.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Lincoln, Nebraska:

That the application of Tabitha Village Corporation, a Nebraska corporation, hereinafter referred to as "Permittee", for authority to construct and operate a community unit plan be and the same is hereby granted under the provisions of Sections 27.40.010 and 27.40.150 of the Lincoln Municipal Code upon condition that construction, development and operation of said community unit plan be in strict compliance with said application, the revised plot plan, and the following additional express terms, conditions, and requirements:

1. Permittee shall prepare and submit a landscape plan to the planning director for his review and approval prior to the issuance of any building permits by the City; and said landscape plan shall be implemented within two planting seasons following the issuance of occupancy permits to sixty percent (60%) of the total number of dwelling units allowed within said community unit plan.

2. Driveways serving more than 30 parking stalls shall be at least 26 feet in width, and driveways serving 30 or less parking stalls shall be at least 20 feet in width. Said parking areas shall

5507
be designed in accordance with City standards relating to stall widths, aisle widths, and paving.

3. The dwelling units indicated "F" on the community unit plan shall be redesigned or relocated to provide for at least 20 feet of separation between the garage and the street right-of-way.

4. Permittee shall prepare and submit a plan to the planning director for his review and approval showing additional walkways extending to the west in the community unit plan.

5. Prior to the issuance of building permits in the area set aside for the public housing, detailed drawings showing location of buildings, driveways, parking areas, and walkways shall be submitted to the City for review and approval by the City Council.

6. Permittee shall prepare and submit five copies of a revised plot plan in accordance with the conditions of this resolution to the planning director for his review and approval.

7. Construction of the proposed community unit plan shall not proceed until the same has been approved by the superintendent of building inspections for the City of Lincoln; and no dwelling units shall be occupied or otherwise used until said superintendent has found that Permittee has complied with all the terms, conditions, and requirements of the City.

8. Within 30 days from the date of this resolution, Permittee shall properly execute the Letter of Acceptance and file the same with the City Clerk evidencing its unqualified acceptance of all the terms, conditions, and requirements herein set forth, otherwise Special Permit No. 692 herein granted shall be null and void and of no force and effect.

9. All the terms, conditions, and requirements of the special permit granted herein shall be binding and obligatory on Permittee, its successors, and assigns. Within 40 days from the effective date of this resolution, City shall cause a certified copy of said resolution together with a certified copy of the executed letter of acceptance to be filed in the office of the

5507

Register of Deeds for Lancaster County, Nebraska. The cost of said filing shall be paid by Permittee.
