Said utility equipment located therein is not a part of the Limited Common Element, but is a part of the Unit to which it is connected as set forth in paragraph "6" of this Master Deed.

All present and future Co-Owners, tenants and occupants of Units shall be subject to, and shall comply with, the provisions of this Master Deed, the By-Laws and the Rules and Regulations, as they may be amended from time to time. The acceptance of a deed or conveyance or the entering into of a lease or the entering into occupancy of any Unit shall constitute an agreement that the provision of this Master Deed, the By-Laws and the Rules and Regulations, as they may be amended from time to time, are accepted and ratified by such Co-Owners, tenant, or occupant, and all of such provisions shall be deemed and taken to be enforceable equitable servitudes and covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed or conveyance or lease thereof.

11. Amendment of Master Deed. This Master Deed may be amended by vote of the Co-Owners of at least 66 2/3% of the aggregate Percentage Interests, cast in person or by proxy at a meeting duly held in accordance with the provisions of the By-Laws, provided, however, that any such amendment shall have been approved in writing by the mortgagee or mortgagees holding mortgages constituting first liens on 51% or more of the Units subject to mortgages. The Common Elements shall remain undivided and no Co-Owner or any other person shall bring any action for partition or division thereof, except in the event of the destruction or condemnation of more than three-fourths (3/4) of the Building. Except in the event of condemnation or destruction of more than three-fourths (3/4) of the Building, the dedication of the Property to the Condominium Property Regime shall not be waived or revoked unless three-fourths (3/4) of the Co-Owners and the mortgagees of all of the mortgages covering the Units agree to such revocation or waiver.

13. Invalidity. The invalidity of any provisions of this Master Deed shall not be deemed to impair or affect in any manner the validity, enforceability or effect of the remainder of this Master Deed, and, in such event, all of the other provisions of this Master Deed shall continue in full force and effect as if such invalid provision had never been included herein.

14. Waiver. No provision contained in this Master Deed shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches which may occur.

15. Gender. The use of the masculine gender in this Master Deed shall be deemed to refer to the feminine gender and the use of the singular shall be deemed to refer to the plural, and vice versa, whenever the context so requires.
