In addition thereto, no residence, building, addition, fence, wall, driveway, patio, patio enclosure, swimming pool, basketball backboard, propane tanks, dog house, pool house, flag pole, tennis court, mailbox, dock or shore station, or other external improvement, including shrubs, bushes, trees and other landscaping, above or below the ground (herein all referred to as any "Improvement") shall be constructed, erected, placed or permitted to remain on any of the Lots in Property, nor shall any grading or excavation for any Improvement be commenced, except for Improvements which have been approved by Thomas, as follows:

- (a) An Owner desiring to erect an Improvement on any Lot shall deliver two sets of construction plans, grading plans, detailed landscaping plans, erosion control plans, and plot plans to Thomas (herein collectively referred to as the "plans"). Such plans shall include a description of the type, quality and color of materials proposed for the exterior of such Improvement and shall include proposed final grade elevations. Concurrent with submission of the plans, Owner shall notify Thomas of the Owner's mailing address.
- (b) Thomas (with or without the advice of professional engineers or other experts retained by Thomas, in its sole discretion) shall review such plans in light of the conditions and restrictions in this Declaration and in relation to the type and exterior of Improvements which have been constructed, or approved for construction, on the Lots. In this regard, it is intended that the Lots shall be developed as a residential community with homes constructed of high quality materials. The decision to approve or refuse approval of a proposed Improvement shall be exercised by Thomas in a reasonable manner to promote conformity and harmony of the external design of the Improvements constructed within Property and to protect the value, character and residential quality of all Lots in a manner consistent with this Declaration. Atypical Improvements and home designs such as dome houses, and A-frame houses will not be approved unless Thomas determines that construction of these Improvements will not be materially inconsistent with the scheme of development contemplated by this Declaration. If Thomas determines that the external design and location of the proposed Improvement does not conform with the standards or requirements of this Declaration, does not conform with the surrounding Improvements and topography or will not protect and enhance the integrity and character of all the Lots as a quality residential community, Thomas may refuse approval of the proposed Improvement.
- (c) Written notice of any approval of a proposed Improvement shall be mailed to the Owner at the address specified by the Owner upon submission of the plans. Such notice shall be mailed, if at all, within thirty (30) days after the date of submission of the plans. If notice of approval is not mailed within such period, the proposed Improvement shall be deemed disapproved by Thomas.

Section 5.02. Thomas may assess a fee for the review of plans, which shall be paid by the Owner submitting plans for approval. Thomas shall adopt a fee schedule for the review of plans, which may be amended from time to time by Thomas as Thomas deems necessary or appropriate. No submission for approval of plans will be considered until the designated fee has been paid. Such fee shall be commensurate with the cost of professional review of submittals and the services of a consultant to administer the matter to its completion, including inspections which may be required.

Section 5.03. The approval of plans for any landscaping, building or other improvement to be placed or constructed on any Lot within Property, or for any other matter requiring prior approval, should not be deemed a waiver of the right to withhold approval of any similar plans subsequently submitted for approval.

Section 5.04. No Owner or other person or persons shall have any right to control, direct or influence the acts of Thomas with respect to the approval or disapproval of any proposed plans. No responsibility, liability or obligation shall be assumed by or imposed upon Thomas by virtue of the authority granted to it in this Article, or as a result of any act or failure to act with respect to any proposed plans. Thomas shall not be liable to any Owner or to any other person for any damage suffered or claimed on account of any act or omission which occurs in connection with review, approval, or disapproval of plans, so long as the persons involved acted in good faith on the basis of information they then possessed.

Section 5.05. Upon approval of plans for any landscaping, building, or other improvements to be placed or constructed on any Lot within Property, or for any matter requiring prior approval of Thomas, the Owner of the Lot shall deposit with Thomas a \$500.00 deposit to insure that the Owner of the Lot upon which construction of the improvement is occurring shall, during the improvement period, maintain the Lot in a reasonably clean condition, including a porta-potty facility and the collection of construction debris in an adequate dumpster. Upon completion of the construction of improvement, Thomas shall refund the \$500.00 deposit to the Owner of the Lot, less any expenses incurred by the aforementioned deposit any expense incurred by Thomas in enforcing this provision.

Section 5.06. To minimize damage to the roads located within Property, Thomas requires that all construction vehicles and equipment shall have a hard surfaced staging area provided by each Lot Owner. This hard surface staging area may be asphalt, concrete, crushed rock, or mud rock. Each Lot Owner shall provide the location, in the site plan, of this hard surfaced staging area for the approval of Thomas. The staging area must connect to the road in a manner as to eliminate potential damage to the adjoining roadway structure. After the completion of construction, material used for this staging area must be removed from the Lot. A location for placement of this staging material may be provided by Thomas.

Section 5.07. Design proposals for construction of a residence upon a Lot must be submitted to Thomas within two (2) years of the date that the Lot was purchased by Owner, unless waived by Thomas. In addition thereto, the Owner of a Lot shall have commenced construction of a residence upon a Lot within three (3) years of the date that the Lot was purchased by Owner, unless waived by Thomas.

Section 5.08. Thomas may, at anytime, assign Thomas' duties under this Article to the Board of Directors of the Association, or a committee thereof, except, that Thomas, unless waived by a written document, shall retain the exclusive right to establish grades and slopes for all Lots within Property and affix the grade at which any building shall be constructed upon any Lot in conformity with the general plan of Thomas, as amended from time to time, for the development of Property.

Section 7.01. Every Owner shall have full rights of ownership and full use and enjoyment of Owner's Lot, subject to the following restrictions:

- (a) Any Lot upon which there is not presently a single family residence, which hereafter is sold to a Class A Member, the Owner thereof shall construct upon said Lot a single family residence within three (3) years of the date of purchase. If the Owner of an undeveloped Lot, within said three (3) year period, receives a bonafide offer to purchase Owner's undeveloped Lot, then Thomas shall have the right to purchase the Lot from Owner for the original purchase price plus two percent (2%) per annum from the date of the purchase of Lot from Thomas. At least thirty (30) days prior to closing, the Owner of Lot shall notify Thomas in writing that Owner has received a purchase offer. - (b) No Lot within Property shall be subdivided or combined with an abutting Lot without the prior written consent of Thomas.
- (c) No livestock, reptiles, or poultry of any kind, which shall include, but not be limited to cattle, swine, sheep, goats, horses, snakes, or fowl, shall be raised or kept on any Lot in Property.

Outside storage of materials, supplies, garden, lawn, or maintenance equipment of any kind whatsoever shall be prohibited, except when in actual use.
- (g) Any interior damage to a residence located on a Lot shall be promptly reconstructed or removed in a timely manner, but no later than within ninety days after the date of occurrence of the damage.

- (h) All improvements located upon a Lot shall, at all times, be kept in good condition and repair, the state of repair to be determined by Thomas, its successors or assigns.

- (p) There shall be only one (1) basketball pole and hoop per Lot.
- (q) All pets of Owners of Lots, as permitted by the rules and regulations of the Association, must be kept in the inside of the residence located upon a Lot, unless said pet is on a leash, under control of the Owner. Further, the following breeds of dogs, or any mix of the following breeds of dogs, or any dog displaying the majority of the physical traits of anyone or more of the following breeds of dogs, more so than any other breed, to include, but not be limited to, the American Pit Bull Terrier, American Staffordshire Terrier, Staffordshire Bull Terrier, and Rottweiler breeds of dogs shall not be permitted within Lake Allure Addition.
- (r) There shall be no advertising sign other than a "for rent" or "for sale" sign permitted on any Lot, provided that said "for rent" or "for sale" sign shall be no larger than four square feet in area.

No dog runs or kennels may be constructed or installed on any Lot without the written permission of Thomas.
- (x) All Members or any other person or entity using or entering the Property shall be responsible for taking reasonable steps to ensure the safety of all Members and guests. Any condition or obstruction within the Property that may pose a risk of safety to the Members of their guests shall be reported to Thomas and the Association's Board of

Directors immediately. Furthermore, each Member shall take reasonable steps to warn or otherwise abate the condition or obstruction until the Board of Directors has had time to address the situation.

- (y) Thomas/Association shall have the authority to adopt and enforce Rules and Regulations that are in the best interests of the Members, though not explicitly set forth herein. No Member shall face any discipline under a new Rule or Regulation until such Rule or Regulation has been adopted by a majority of the Board of Directors and the Members have been informed of such new Rule or Regulation.
- (z) The central fresh water system shall only be used for normal household consumption. This includes drinking water, and water for sinks, toilets, and showers. The central fresh water system shall not be used for watering lawns or to facilitate the operation of a heat pump.
- (aa) The central sanitary sewer system shall only be used for normal household waste. This includes drain water for sinks, toilets, dishwashers, and showers. A central sanitary sewer system shall not be used for sump pump draining or to facilitate the operation of a heat pump.

- (d) Construct such additional improvements within Property as Thomas deems advisable;
- (e) At Thomas's sole discretion, transfer all or any part of Thomas' rights pursuant to this Declaration to it/their respective heirs, personal representatives, successors and assigns, and/or to the Association.

ARTICLE IX. **MISCELLANEOUS**

Section 9.01. In the event an Owner fails to maintain a Lot according to this Declaration, Thomas, and/or the Association, through their agents, may, but shall not be required to, enter upon the Lot and take such action as is necessary to place the Lot in conformity within this Declaration. Prior to entering a Lot to perform such maintenance, Thomas/Association shall provide the Owner with written notice, which shall specify the required action and time in which it must be completed. If an Owner fails to comply and Thomas/Association performs such action, Thomas/Association may access the cost thereof against the Lot. When shown of record, such assessment shall be a lien upon the Lot and shall bear interest on per annum basis until paid at the rate of fourteen (14%) per cent per annum.

Section 9.02. Thomas/Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by any provision of this Declaration. Failure of Thomas/Association or of any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 9.03. Thomas/Association, or any person entitled to enforce any of the terms hereof who obtains a judgment or decree in an action brought to enforce any of the provisions hereof, shall, to the extent permitted by law, be entitled to recover reasonable fees of attorneys and other professionals and all expenses incurred or anticipated to be incurred in enforcing these covenants or any other rules or regulations adopted by Thomas/Association with regard to the Property.

Section 9.04. Neither Thomas nor the Association shall be liable to any person for damages arising out of the enforcement or non-enforcement of these covenants. The failure to enforce any portion of this Declaration shall not be deemed a waiver to the right to subsequently do so.

Section 9.05. Invalidation of any one or more of these covenants or restrictions, by judgment or Court order, shall in no way affect any other provisions, which other provisions shall remain in full force and effect.

Section 9.06. These Declarations, except for Section 7.01 (a), may be amended by Thomas, or any person, firm, corporation, partnership, or entity designated in writing by Thomas, in any manner which it may determine in its full and absolute discretion for a period of ten (10) years from the date hereof. Thereafter, these Declarations may be amended by an instrument signed by the Owners of not less than sixty percent (60%) of the Lots covered by these Declarations. Section 7.01 (a), may be amended at anytime by an instrument signed by the Owners of not less than ninety-five (95%) of the Lots then covered by these Declarations. Any amendment to these Declarations shall be valid only upon its being recorded in the same manner as deeds shall be recorded at such time.

Section 9.07. These covenants and restrictions contained in this Declaration shall run with the land, and shall be binding for an initial term of twenty (20) years from the date these Declarations are recorded, after which time they shall be automatically extended for successive periods of ten (10) years each.

IN WITNESS WHEREOF, the undersigned, being all of the Owners of Property, have executed these Declarations of Covenants, Conditions and Restrictions as of the date of the respective signatory's hereto acknowledgement.
