INSTRUCTIONS FOR COMPLETING THIS FORM

This form complies with current California statutes regarding notary wording and, if needed, should be completed and attached to the document. Acknowledgments from other states may be completed for documents being sent to that state so long as the wording does not require the California notary to violate California notary law.

- State and County information must be the State and County where the document signer(s) personally appeared before the notary public for acknowledgment
- Date of notarization must be the date that the signer(s) personally appeared which must also be the same date the acknowledgment is completed
- The notary public must print his or her name as it appears within his or her commission followed by a comma and then your title (notary public)
- Print the name(s) of document signer(s) who personally appear at the time of notarization
- Indicate the correct singular or plural forms by crossing off incorrect forms (i.e. ~~he/she/they~~, is /are) or circling the correct forms. Failure to correctly indicate this information may lead to rejection of document recording
- The notary seal impression must be clear and photographically reproducible. Impression must not cover text or lines. If seal impression smudges, re-seal if a sufficient area permits, otherwise complete a different acknowledgment form
- Signature of the notary public must match the signature on file with the office of the county clerk
 - ❖ Additional information is not required but could help to ensure this acknowledgment is not misused or attached to a different document
 - ❖ Indicate title or type of attached document, number of pages and date
 - ❖ Indicate the capacity claimed by the signer. If the claimed capacity is a corporate officer, indicate the title (i.e. CEO, CFO, Secretary)
- Securely attach this document to the signed document with a staple
