AMENDED AND RESTATED RESTRICTIVE COVENANTS
(Timber Lake)

The undersigned (Owner) is the titleholder of record or the Developer of the following-described real estate:

Legal Description

Lots 1-24, Block 1; Lots 1-11, Block 2; Lots 1-16, Block 3; and Lots 1-17, Block 4, Timber Lake, Otoe County, Nebraska, collectively referred to as "Residential Properties"; and

Lot 16, Block 3, Timber Lake, Otoe County, Nebraska, ("Commercial Lot")

The Residential Properties and Commercial Lot are collectively referred to as "Properties".

Outlots A, B and C Timber Lake, Otoe County, Nebraska, and the easements as shown on the plat for the community water and wastewater systems as well as an existing water well located in the northwest corner of the Commercial Lot together with a right of access from and to Outlot C, Northwood Lane, are collectively referred to as "Commons".

Corporation

Timber Lake Homeowners Association (Corporation) has been incorporated in Nebraska for the purposes of enforcing the Restrictive Covenants established upon the Residential Properties and administering and maintaining the Commons and providing services to its Members and the Commercial Lot.

Nemaha NRD Facility and Easement

Located upon the Residential Properties and Commons is a flood control structure built by the NRD with funding provided by the State of Nebraska ("State") and the Federal Emergency Management Agency ("FEMA"). The "NRD Facility" consists of a dam and water impoundment feature ("Lake"). The normal operation of the NRD Facility results in water level fluctuations between the elevations of 1,241.0' and 1,251.5' ("Flood Pool") after heavy precipitation events. The NRD is obligated to operate the NRD Facility in accordance with state statutes so as to preserve its ability to serve its flood control function according to the conditions established by the State and FEMA at the time of its construction. The NRD has the right to enforce and perform its obligations with regard to the NRD Facility upon the Residential Properties and Commons pursuant to the terms and conditions of Easements dated January 2, 2002 and recorded at Book 81, Page 393 and Book 81, Page 403 with the Otoe County Register of Deeds (collectively "NRD Easement") specifically including the right of access. The NRD will normally contact property owners in advance prior to exercising its right of access.

A condition of approval for the Timber Lake development was to notify future property owners of the interests of the NRD in the NRD Facility and its rights under the NRD Easement and to impose certain additional conditions and restrictions upon those portions of the Residential Properties and Commons that are subject to the NRD Easement pursuant to the provisions of these Covenants.

NAF

EXISTING COVENANTS

The titleholder(s) of the Commercial Lot shall pay the assessments levied and members shall pay annual dues and special assessments to the Corporation or Managing Agent as billed. Each member's dues shall be determined on an annual basis for each fiscal year, prorating a fractional year which may occur by issuance of a building permit for any dwelling. The initial annual dues are established at \$500 per year per lot. Changes in the amount of future annual dues shall be based upon an estimate of the Corporation's costs for administration, maintenance and improvement of the Commons and each member shall pay the annual dues so established in advance. At the end of each fiscal year, a statement of the total year's Common's operating costs may be presented to the members of the Corporation and the members shall pay any excess charge to the Corporation within thirty (30) days of the statement.

No portion of this fee shall be credited to the annual dues or assessments.

200803354

Upon the initial occupancy of a residence on a lot within the Residential Properties, the titleholder of the lot shall pay to the corporation the prorated amount of the annual dues or assessments, prorated from the date of occupancy to the end of the calendar year.

29. **ADDITIONS:** The Owner or Freedom Properties, LLC, may add additional real estate from within the real estate described in the attached Exhibit "A" to the Properties or the Commons, at any time, without the consent of the members of the Corporation. Additions shall be made by the execution and recordation of Restrictive Covenants upon the additional real estate, making the addition of any property used for residential purposes subject to these Restrictive Covenants; provided the general standards set forth in paragraphs 5 and 6 may be reduced, increased or otherwise modified within any such addition. The Owner may convey this right to add real estate to the Properties and Commons with the conveyance of any of the real estate described in the attached Exhibit "A". Should any additional commercial use properties be added to the Properties, the terms and conditions that it is subject to shall be similar to those provided for the Commercial Lot.
- Should the Commons need to be expanded or modified in order to provide the necessary services for the additional properties such as roads, or additional water or waste water system capacity, all of the capital costs incurred for expanding the capacity shall be paid for as a condition of adding the real estate to the Properties and permitting their use of the Commons. The provisions of this paragraph 29 may not be amended, modified or materially changed so as to restrict or limit the rights retained or granted to the Owner or Freedom Properties, LLC without their prior written consent and approval.
30. **AMENDMENTS:** These Restrictive Covenants shall run with the land and shall be binding upon and enforceable by the Owner, all persons claiming under the Owner and all persons that have ratified or accepted the burdens or benefits. These Restrictive Covenants may be terminated or modified, in writing, by the owners of two-thirds of the lots within the Properties, at any time; provided paragraph 29 may not be amended, modified or materially changed so as to restrict or limit the rights retained or granted to the Owner or Freedom Properties, LLC without their prior written consent and approval.
31. **RATIFICATION:** The acceptance of a deed to any of the Properties, the payment of any assessments or the acceptance of any benefits derived from or burdens imposed by the Corporation shall be deemed to be a ratification, acceptance and approval of these Restrictive Covenants for the Timber Lake development.
32. **ENFORCEMENT:** The enforcement of these Restrictive Covenants may be by proceedings at law or in equity against any person violating or attempting to violate any provision hereof. The proceedings may be to restrain the violation, or to recover damages and, by the Corporation or Owner, may be to enforce any lien or obligation created hereby.
33. **SEVERABILITY:** The invalidation of any one of these Restrictive Covenants shall not affect the validity of the remaining provisions hereof.
