LETTER OF VERIFICATION

Gentlemen:

This letter verifies that the Timber Lodge Lake Homeowner's Association has assumed the responsibility and cost of maintaining the good condition, grading and replacement of gravel on the roads surrounding and connecting to the homes on Timber Lodge Lake.

It has been further decided by a majority vote of the members of the Timber Lodge Lake Homeowner's Association that grading, and replacement of gravel, and payment for these services shall be delegated by the President of the Association, Harry Wilson.

It has been also agreed by the members of the Homeowner's Association that these services will be performed by Wayland Petersen, RR#2, Waterloo, Nebraska, and the amount determined by the condition of the roads.

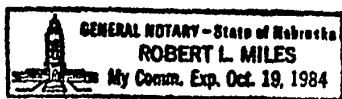

The fee for these services shall be taken from the annual budget of the Timber Lodge Lake Homeowner's Association.
