The Declarant is the Association of owners of certain real property located within Sarpy County, Nebraska and described as follows:

Lots 1 through 44, inclusive, Villas of Southwind, a Subdivision, as surveyed, platted and recorded in Sarpy County, Nebraska.

Such lots are herein referred to collectively as the "Lots" and individually as each "Lot". The term "Lot" shall also mean and refer to each respective parcel resulting from a Lot split of a Lot whereby two (2) separate residences are created from one (1) originally platted lot as shown upon any recorded subdivision plat which included the above property.

The Declarant desires to provide for the preservation of the values and amenities of Villas of Southwind, for the maintenance of the character and residential integrity of Villas of Southwind, and for the acquisition, construction and maintenance of Common Facilities for the use and enjoyment of the residents of Villas of Southwind.

NOW, THEREFORE, the Declarant hereby revokes all previous declarations and also declares that each and all of the Lots shall be held, sold and conveyed subject to the following restrictions, covenants, conditions and easements, all of which are for the purpose of enhancing and protecting the value, desirability and attractiveness of the Lots, and the enjoyment of the residents of the Lots. These restrictions, covenants, conditions and easements shall run with such Lots and shall be binding upon all parties having or acquiring any right, title or interest in each Lot, or any part thereof, as is more fully described herein. The Lots, and each Lot is and shall be subject to all and each of the following conditions and other terms:

**ARTICLE I.

A. An owner desiring to erect an Improvement shall deliver two sets of construction plans, landscaping plans and plot plans to Declarant (herein collectively referred to as the "plans"). Such plans shall include a description type, quality, color and use of materials proposed for the exterior of such Improvement. B. In this regard, Declarant intends that the Lots shall constitute when developed a residential community with homes constructed of high quality materials. The decision to approve or refuse approval of a proposed Improvement shall be exercised by Declarant to promote development of the Lots and to protect the values, character and residential quality of all Lots. If Declarant determines that the harmony of external design and location in relation to the surrounding Improvements and topography of the proposed Improvement will not protect and enhance the integrity and character of all the Lots and neighboring Lots as a quality residential community, Declarant may refuse approval of the proposed Improvement.

C. Written Notice of any refusal to approve a proposed Improvement shall be mailed to the owner at the address specified by the owner upon submission of the plans. Such notice shall be mailed, if at all, within thirty (30) days after the date of submission

2. Membership and Voting. The "Owner" of each Lot shall be a Member of this Townhome Association. For purposes of this Declaration, the term "Owner" of a Lot means and refers to the record owner, whether one or more persons or entities, of fee simple title to a Lot, but excluding however those parties having any interest in any of such Lot merely as security for the performance of an obligation (such as a contract seller, the trustee or beneficiary of a deed of trust, or a mortgagee). The purchaser of a Lot under a land contract or similar instrument shall be considered to be the "Owner" of the Lot for purposes of this Declaration. Membership shall be appurtenant to ownership of each Lot, and may not be separated from ownership of each Lot.

The Townhome Association shall have one (1) class of voting members, defined as follows:

E

Members shall be all Owners. Each Member shall be entitled to one (1) vote for each Lot owned. When there shall be more than one person or entity holding an interest in any Lot, all such persons or entities or both, shall be Members; provided however that the vote for such Lot shall be exercised as such persons or entities or both, shall determine, but in no event shall more than one vote be cast with respect to any one Lot. It is understood that the Owner of each respective Lot created as a result of a Lot Split shall be entitled to one (1) vote.

The Townhome Association shall have the powers conferred upon not for profit corporations by the Nebraska Nonprofit Corporation Act, and all powers and duties necessary and appropriate to accomplish the Purposes and administer the affairs of the Townhome Association. J. The doing and performing of such acts, and the execution of such instruments and documents, as may be necessary or appropriate to accomplish the purposes of the Townhome Association.

4. Creation of the Lien and Personal Obligation of Assessments. The Declarant hereby covenants for each Assessable Lot and for each Owner of any Assessable Lot, by acceptance of a deed therefore or by entering into a contract for the purchase thereof, whether or not it shall be so expressed in such deed or in such contract, that it is, and shall be, deemed to covenant and agree to pay to the Townhome Association:

- (1) Special assessments for capital improvements, and
- (2) Monthly assessments for exterior maintenance and other operational expenses with respect to each Assessable Lot as deemed necessary by the Townhome Association, and

as such assessments shall be established and collected as hereinafter provided. The special assessments and monthly assessments together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment shall be made. Each such assessment, together with interest, costs and reasonable

F

attorney's fees, shall also be the personal obligation of the person, persons, or entity who, or which, was the Owner of the property at the time when the assessment became due. The personal obligation for delinquent assessments shall not pass to such Owner's successors in title, unless expressly assumed by them.

5. Purpose or Assessments. The assessments levied upon the Townhome Association shall be used exclusively to promote the health, safety, recreation and welfare of the residents in the Properties and for exterior maintenance, and other matters as more fully set out in Article III herein. Assessments shall be levied solely against an Assessable Lot. Assessable Lot shall mean and refer to any Improved Lot which the Board of Directors of the Townhome Association determines is entitled to the benefits for which assessments are levied by the Townhome Association as provided in this instrument. An Improved Lot shall mean and refer to any Lot upon which shall be erected a dwelling the construction of which shall be at least 80% constructed according to the plans and specifications for construction of said dwelling.

6. Monthly Assessments. The Board of Directors shall have the authority to levy and assess from time to time against any Assessable Lot any monthly maintenance assessment for the purpose of meeting the requirements of this Article III for exterior maintenance, which assessments may not be equal for each lot or dwelling. All previous assessments made are ratified and affirmed by the Association.

7. Special Assessment for Capital Improvements. The Townhome Association may levy special assessments from time to time against a Lot for the purpose of meeting the requirements of this Article III herein for the costs of any construction, reconstruction, repair or replacement of any capital improvements on such Lot, including fixtures and personal property related thereto, provided that any such assessment shall have the consent of two-thirds (2/3) of the votes of each Lot, who shall vote in person or by proxy at a meeting duly called for such purpose. All previous assessments made are ratified and affirmed by the Association.

8. Notice and Quorum for Any Action Authorized Under this Article. Written notice of any meeting called for the purpose of taking any action authorized under this Article III shall be sent to all Members not less than 10 days nor more than 50 days in advance of such meeting. At the first such meeting called, the presence of Members, in person or by proxy, entitled to cast sixty percent (60%) of all the votes entitled to be cast by each Lot shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum, at such subsequent meeting shall be ten percent (10%) of all the votes entitled to be cast. Any such subsequent meeting shall be held within 60 days following the preceding meeting.

9. Rate of Assessment. The monthly assessments shall be paid pro rata by the Owners of all Assessable Lots based upon the total number of Assessable Lots; provided, however, the Board of Directors of the Townhome Association may equitably adjust such prorations if it determines that certain Assessable Lots on which all of the improvements are not yet completed do not receive all of the benefits for which such assessments are levied or the type of dwelling located on the Lot requires an adjustment (i.e., a duplex dwelling or a detached single family dwelling). The monthly assessments may be collected on a monthly or other periodic basis by the Townhome Association. The Board of Directors of the Townhome Association shall fix the amount of the monthly or other periodic assessments against each Assessable Lot. Written notice of the assessment shall be sent to every Owner subject thereto. The dates payments are due shall be established by the Board of Directors. The special assessments for capital improvements shall only be assessed against the Assessable Lot for which the costs of such construction, reconstruction, repair or replacement of any capital improvements occurs. The Townhome Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Townhome Association, setting forth whether or not all assessments on a specified Assessable Lot have been paid. A properly executed certificate of the Townhome Association as to the status of assessments, on a particular Assessable Lot shall be binding upon the Townhome Association as of the date of its issue by the Townhome Association.

10. Effect of Nonpayment of Assessment; Remedies of the Townhome Association. Any assessment not paid within thirty (30) days after the due date shall be deemed delinquent and shall bear a per month penalty of ten percent (10%) of the unpaid balance. Should any assessment remain unpaid more than sixty (60) days after the due date, the Townhome Association may declare the entire unpaid portion of said assessment for said year to be immediately due and payable and thereafter delinquent. The Townhome Association may bring an action at law against the Owner personally obligated to pay the same, or may foreclose the lien of such assessment against the property through proceedings in any Court having jurisdiction of actions for the enforcement of such liens. No Owner may waive or otherwise escape liability for the assessments provided herein by abandonment or title transfer of such Owner's Lot.

11. Subordination of the Lien to Mortgages. The lien on the assessments provided for herein shall be subordinate to the lien of any first mortgage, first deed of trust, or other

6

initial purchase money security device, and the holder of any first mortgage, first deed of trust, or other initial purchase money security device, on any Lot may rely on this provision without the necessity of the execution of any further subordination agreement by the Townhome Association. Sale or transfer of any Lot shall not affect the status or priority of the lien for assessments made as provided herein. The Townhome Association, if authorized by its Board of Directors, may release the lien of any delinquent assessments on any Lot as to which the first mortgage, first deed of trust or initial purchase money security device thereon is in default, if such Board of Directors determines that such lien has no value to the Townhome Association. No mortgagee shall be required to collect any assessments due. The Townhome Association shall have the sole responsibility to collect all assessments due.

12. Abatement of Dues and Assessments. Notwithstanding any other provision of this Declaration, the Board of Directors may abate all or part of the dues or assessments due in respect of any Lot, and shall abate all dues and assessments due in respect of any Lot during the period such Lot is owned by the Declarant.

13. Monthly Assessments. Monthly assessments may be assessed for, but not limited to, the following:

A. Care and maintenance of trees and shrubs, lawns, and other exterior landscaping improvements on the common area shall be the responsibility of the Townhome Association. The Owner understands that the original landscape as installed by the Declarant or builder is warranted for a period of one year from the time of planting. The Owner is responsible for replacement of all dead landscaping on his lot after the one year warranty period expires.

B. Operation and maintenance of an underground watering system, including the water costs.

C. Snow removal from drives, front walks and stoops only as to be determined by the guidelines set forth by the Board of Directors.

D. Trash removal, unless provided by local governmental authorities.

E. The Townhome Association shall have no duty to repair, replace or maintain any exterior concrete surfaces, including walks, driveways, patios, foundations, doors, windows, and decks.

F. Reserves for replacements, repairs and maintenance as determined by the Board of Directors.

14. Special Assessments. Special assessments may be assessed for maintenance and improvement of common areas.

15. Party Walls. Party walls shall be constructed, maintained and repaired as follows:

A. General Rules of Law to Apply. Each wall which is built as part of the original construction of any dwelling upon a Lot, and which is placed on the dividing line between any adjoining Lots, shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

B. Sharing of Repair and Maintenance. The cost of reasonable repairs and maintenance of any party wall shall be shared by the Owners who make use of such party wall in proportion to the length of each Lot and party wall.

C. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owner or Owners shall thereafter make use of such party wall, such other Owner or Owners shall contribute to the cost of restoration thereof in proportion to such use, without prejudice, however, to the right of any such Owner or Owners to call for a larger contribution from other Owners under any rule of law regarding liability for negligent or willful acts or omissions.

D. Weatherproofing. Notwithstanding any other provision of this Section, an Owner who, by his negligent or willful act, causes the party wall to be exposed to the elements, shall bear the whole cost of furnishing the necessary protection against such elements and repair of damage caused by the elements.

H

E. Right to Contribution Runs With Land. The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the land and shall pass to such Owner's successors in title.

F. Arbitration. In the event of any dispute arising concerning a party wall, or under the provisions of this Section, each Owner involved shall choose one arbitrator, and such arbitrators shall choose one additional arbitrator, and all Owners shall be bound by any decision arrived at by a majority of all such arbitrations. Arbitration shall be governed by the terms of the Uniform Arbitration Act, to the extent consistent with the foregoing provisions.

16. Insurance. Insurance may be required as follows:

A. The Townhome Association shall purchase and provide comprehensive general liability coverage insurance against any other hazards and in such amounts as shall be determined from time to time by the Board of Directors of the Townhome Association. The Townhome Association, in addition to the foregoing, shall provide Directors and Officers liability coverage insurance for the Townhome Association, for its Officers, and members of the Board of Directors. Finally, if the Townhome Association has any employees of any nature, the Townhome Association shall purchase and provide Workers' Compensation Insurance for all employees who may come within the scope of Nebraska Workers' Compensation laws.

The above insurance shall not cover the personal property or dwelling of any Owner of any Lot, it being the Owner's responsibility to provide such insurance coverage for the Owner's protection. In addition, the Townhome Association may purchase such additional insurance against other hazards which may be deemed appropriate by the Board of Directors.

B. Each Lot Owner may obtain such additional insurance for the individual Owner's benefit and at such Owner's own expense as may be deemed necessary by the Lot Owner, including coverage for specific improvements and betterments in the Owner's unit, personal liability, specific personal property items, the ten percent (10%) co-insurance provision of the full replacement cost of the base price of the original structure, and any exclusions of insurance coverage from the master policy provided by the Townhome Association.

17. Access. The Townhome Association, its officers, employees and agents, contractors and repairmen designated by the Townhome Association, shall have the right to go on any Lot for the purpose of performing the duties of the Townhome Association hereunder, and the Townhome Association is hereby granted a specific easement for such purposes.

18. Utility Meters and Service Lines. In order to facilitate the installation, operation, maintenance and repair of an underground watering system, such Lots as shall be designated from time to time by the Townhome Association shall have a dual metering system for water so as to permit the drawing of water for watering of the lawns, shrubs, trees and other vegetation located upon the Lots. It is understood that the amount of water metered for the residential use on any such Lot shall be paid for by the Owner of each Lot receiving water, and the Owner shall be responsible for the meter servicing solely the Owner's Lot. Utility meters may be located within the Owner's residence.

ARTICLE IV. EASEMENTS AND CONNECTION

1. A perpetual easement is reserved in favor of the Association, its successors and assigns to create, install, repair, reconstruct, paint, maintain, and renew a fence, standards and related accessories located on, over and upon a ten (10) foot wide strip of land adjoining the Boundary Fence located on Boundary Lots.

2. Other easements are provided for in the final plat of Villas of Southwind which is filed in the Register of Deeds of Sarpy County, Nebraska (Book 98, Pages 28249).

ARTICLE V. GENERAL PROVISIONS

1. Except for the authority and powers specifically granted to the Declarant, the Declarant or any owner of a Lot named herein shall have the right to enforce by a proceeding at

I

law or in equity, all reservations, restrictions, conditions and covenants now or hereinafter imposed by the provisions of this Declaration either to prevent or restrain any violation or to recover damages or other dues of such violation. Failure by the Declarant or by any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

2. The covenants and restrictions of this Declaration shall run with and bind the land for a term of thirty (30) years from 3/15/1999.
