Meginnis, an individual, and Sesostris Temple Holding Corporation, a Nebraska nonprofit corporation (collectively "Grantors"), do hereby grant, bargain, sell, convey and release unto the Lower Platte South Natural Resources District, a political subdivision of the State of Nebraska with its principal office located at 3125 Portia, P.O. Box 83581, Lincoln, Nebraska, 68501-3581, hereinafter the "Grantee," its successors and assigns, a perpetual easement (the "Easement") in, over, and upon the real estate (the "Property") in Lancaster County, Nebraska, particularly described and shown on Exhibit "A", attached hereto and incorporated herein by this reference.

The Easement is granted to the District for the purpose of and in connection with the construction, reconstruction, operation, maintenance, repair and inspection of SkyRanch Farmpond Site of the Stevens Creek Watershed Project, including a site where suitable borrow material can be obtained from the permanent pool and a site where common excavation material can be stored, and for the flowage of any waters in, over, upon, or through such structure, and for the permanent storage and the temporary detention, either or both, of any waters and sediment which are impounded, stored or detained by such structure.

This Easement shall replace the Easements granted in Paragraph 3(a) of the Mutual Settlement Agreement and Release that was entered into between the Grantors and Grantee dated December 14, 2004, and filed of record with the Lancaster County Register of Deeds as Instrument No. 2005-4747, which was amended by the First Amendment to the Mutual Settlement Agreement and Release dated July 12, 2006 (collectively "Settlement Agreement"), except the permanent access easement for ingress and egress to the flood retarding structure granted in Paragraph 3(a)(ii)(E) of the Settlement Agreement shall remain in place until such time as the Grantor and Grantee mutually agree to an alternative location. The Easement granted herein shall be subject to the terms and conditions of the Settlement Agreement.

The Easement includes a permanent easement for dam and spillway, permanent pool, buffer zone, and flood pool. The total area contained in the Easement is 164.18 acres, more or less, all as shown and identified on Exhibit "A".

The Grantors are prohibited from constructing, operating, maintaining or locating any structure, of any kind whatsoever, whether temporary or permanent, in, over or upon the Easement. Structure does not include fence posts, a hard edge surrounding the permanent flood pool, or a boat dock associated with a marina along the permanent pool. This prohibition shall also include the construction of any well. Grantor is also prohibited from placing any fill material in or on the Easement, excluding the fill material associated with the construction, maintenance or replacement of a hard edge, or streets and lots as depicted on Exhibit "B" attached hereto. The planting of trees shall be allowed within the Easement.

The Grantors, their heirs, personal representatives, successors, and assigns are reserved the right and privilege to use the Easement at any time, and in any manner, and for any purpose not inconsistent with the full use and enjoyment by the District, its successors and assigns, of the rights and privileges granted herein, including density calculations for land use development.

The Easement shall not pass nor shall the same be construed to pass, to the District any fee simple interest or title to the Easement.

This Easement shall constitute a covenant running with the land in perpetuity and shall be binding on and inure to the benefit of the Grantors and Grantee and their respective agents, heirs, personal representatives, successors, and assigns.

TO HAVE AND TO HOLD the aforesaid Easement in, over, and upon the land described in Exhibit "A", and with all rights, privileges, and appurtenances thereto belonging or in anyway appertaining, unto the Grantor, its successors and assigns, forever.

IN WITNESS WHEREOF, the Grantors ^{and Grantee} have executed this Easement on the 19th day of September, 2006.
