**AFFIDAVIT OF SURVEYOR**

STATE OF NEBRASKA     )  
  ) SS.  
COUNTY OF LANCASTER    )

Michael R. Johnson being first duly sworn states:

1. That I am a Registered Land Surveyor in the State of Nebraska.
2. That I prepared the Final Plat of Waterford Estates Addition.
3. That the Final Plat of Waterford Estates Addition, which was filed of record with the Lancaster County Register of Deeds as Instrument No. 2007-056461, which included a minimum opening elevation table for the elevations of any building or structure along flow routes indicating that no opening in the building or structure is subject to flooding at the post development flow rout elevations as required by Lincoln Municipal Code § 26.19.031(a) (7). Said table incorrectly included Lots 33-43, Block 2, Waterford Estates Addition.
4. In order to correct this error, I have amended Sheet 11 of 17 to the Final Plat of Waterford Estates Addition to remove the minimum opening elevations for Lots 33-43, Block 2, Waterford Estates Addition from the minimum opening elevation table. A Copy of the Amended Sheet 11 of 17 is attached hereto and incorporated herein by this reference.
