Notwithstanding any other provision contained herein, if the Declarant shall fail to approve or disapprove any such requests for waiver, variance, modification or amendment within thirty (30) days after such request has been submitted to the Declarant, such request shall be deemed conclusively to have been disapproved unless or until the Declarant takes further action on the same, if ever.

5. ARCHITECTURAL REVIEW.

(a) Submission of Proposed Plans. For a period of fifteen (15) years after the date of recording this Declaration, before commencing the construction, addition, installation, modification, demolition, or alteration of any building, enclosure, landscaping, fence, parking facility, sign, light pole, fence or fixture, or any other structure or temporary or permanent improvements ("Improvements") on any portion of the Property, and except as expressly provided in this Declaration, the Property Owner shall first submit site plans, grading and utility plans, landscaping plans, sign and sign allocation plans, floor plans and building elevations, and materials plans, exterior colors, irrigation plans, exterior lighting plans, demolition plans and such other plans and specifications as may be appropriate or necessary to accurately describe the exterior appearance and use of the proposed Improvements (collectively, "Proposed Plans") to the Declarant for its written approval. The Declarant's review of such Proposed Plans will be guided by the standards set forth in this Declaration. The Declarant shall not unreasonably withhold or delay approval of

any Proposed Plans so long as such Proposed Plans comply with the terms and conditions of this Declaration. In the event that the Declarant, or its designated representative, shall fail to take any action on the Proposed Plans within ninety (90) calendar days after they have been received by the Declarant, the Proposed Plans will be deemed approved, provided, however, that such Proposed Plans shall in all respects comply with the terms of this Declaration. Such approval by failure to act on any Proposed Plans shall not be deemed an approval of any requested waiver of any covenant, condition, reservation or restriction contained in this Declaration even through such waiver may be requested in such Proposed Plans. Disapproval of Proposed Plans shall be deemed to have occurred if the Declarant votes on the Proposed Plans but fails to approve the same as provided herein. Any approval of the Proposed Plans cannot be assigned or transferred by the Property Owner seeking such approval, or by operation of law, to any other person or entity without prior written consent of the Declarant.

(b) Compliance with Law. All Proposed Plans submitted to the Declarant shall comply with all governmental laws, ordinances, regulations and codes applicable to the proposed Improvements and to the Property upon which the proposed Improvements are to be constructed.

(c) Basis for Declarant Approval. The Declarant may disapprove any application submitted to it that is incomplete, does not comply with the requirements of this Declaration, proposes Improvements that do not so comply, is deemed by the Declarant, in its sole discretion, not be in the best interests of the Property or the other Property Owners, or is incompatible with the quality of construction or aesthetics of existing Improvements. The Declarant may also base its disapproval upon one or more of the following criteria:

- (i) Adequacy of building location, including set backs.
- (ii) Adequacy of parking and the location of parking areas.

- (vi) The location of loading docks, rubbish facilities, exterior HVAC equipment, and service areas, and the screening thereof.
- (vii) Any proposed rooftop or exterior wall mounted installations.
- (viii) Adequacy of landscaping.

(d) Commencement and Completion of Improvements. If construction or installation of the proposed Improvement is not commenced within six (6) months after approval by the Declarant, the approval shall be deemed automatically revoked without further action by the

Declarant. Once commenced, construction or installation of such Improvement shall be diligently pursued to completion and shall be completed not more than twelve (12) months after the date of approval of the Proposed Plans by the Declarant.

(e) Disclaimer of Liability. Neither the Declarant, nor any employee or officer thereof, shall be liable for any damage or loss of any nature suffered or incurred by any owner of any portion of the Property, arising from any approval or disapproval by the Declarant of any Proposed Plans. The approval by the Declarant of any Proposed Plans shall not be deemed to constitute a representation or warranty of any nature by the Declarant regarding the Proposed Plans, including, but not limited to, whether the Proposed Plans comply with this Declaration or with applicable governmental laws, ordinances, regulations or codes.

6. TERM; RULE AGAINST PERPETUITIES.

(a) This Declaration, and all covenants, conditions, and restrictions herein shall continue and remain in full force and effect for a period of thirty (30) years, commencing on the date this Declaration is recorded in the Office of the Register of Deeds of Douglas County, Nebraska. Thereafter, this Declaration shall be automatically extended for successive terms of ten (10) years each, unless the Declarant elects to terminate this Declaration effective as of the end of the then current term, which election shall be evidenced by a written declaration, signed and acknowledged by it and duly recorded with the Register of Deeds for Douglas County, Nebraska.

(b) In the event the provisions hereunder are declared void by a court of competent jurisdiction by reason of the period of time herein stated for which the same shall be effective being contrary to applicable law or prohibited by the "rule against perpetuities" or any similar law, then in that event only the term hereof shall be reduced to the maximum period of time which does not violate such law or the rule against perpetuities as set forth in the laws of the State of Nebraska.

7. AMENDMENT. The Declarant, in its sole discretion, shall have the right to amend or modify this Declaration. Any such amendment or modification shall be evidenced by a written document signed and acknowledged by the Declarant and duly recorded with the Register of Deeds for Douglas County, Nebraska.

8. REMEDIES FOR VIOLATIONS. Upon a violation or breach of any of the covenants, conditions or restrictions set forth herein, the Declarant shall have the right to proceed at law or in equity to compel compliance with the terms hereof or to prevent the violation or breach of any of them and to recover damages resulting from any violation thereof, including the cost of enforcing the same, which costs shall include court costs and reasonable attorneys' fees as permitted by law.

9. DECLARATION SHALL CONTINUE NOTWITHSTANDING BREACH. It is expressly agreed that no breach of this Declaration shall (i) entitle any party to cancel, rescind or, otherwise terminate this Declaration or (ii) defeat or render invalid the lien of any mortgage or deed of trust made in good faith and for value. However, such limitation shall not affect in any manner any other rights or remedies which a party may have hereunder by reason of any such breach.

10. NOTICES. Any notices, requests or other communications required or permitted to be given hereunder shall be in writing and shall be (i) hand delivered, (ii) mailed by United States registered or certified mail, return receipt requested, postage prepaid or (iii) delivered via facsimile

11. ASSIGNMENT OF DECLARANT'S RIGHTS AND DUTIES. Any and all of the rights, powers and reservations of Declarant herein contained may be assigned by Declarant from time to time, in its discretion, to any person or entity that will assume the duties of Declarant pertaining to the particular rights, powers and reservations assigned. Upon such assignment, any such person or entity assuming such duties (and its heirs, successors and assigns) shall have, to the extent of such assignment, the same rights and powers and shall be subject to the same obligations and duties as are given to and assumed by Declarant in this Declaration. Any assignment made under this Section 10 shall be in recordable form and shall be recorded in the Office of the Register of Deeds of Douglas County, Nebraska.

12. MISCELLANEOUS. This Declaration shall be governed by, and construed in accordance with, the laws of the State of Nebraska, without reference to principles of conflicts of law. No delay or omission in exercising any rights, power or remedy herein provided, in the event of any breach of the covenants, conditions and restrictions herein contained, shall be construed as a waiver thereof or acquiescence therein. In the event any one or more of the foregoing covenants, conditions and restrictions are declared for any reason by a court of competent jurisdiction to be null and void, the judgment or decree shall not in any manner whatsoever affect, modify, change, abrogate or nullify any of the other covenants, conditions and restrictions not specifically declared to be void or unenforceable, but all of the remaining covenants, conditions and restrictions not expressly held to be void or unenforceable shall continue unimpaired and in full force and effect.
